

2007 Annual Report

Exeter, New Hampshire

Town  
School

View of Powder House

**Did you know** . . . "although there were a few scattered settlers in the area that became Exeter before the Reverend John Wheelwright arrived in 1638, the title of Founder belongs to him because he brought a number of settlers with him and provided an organized government "

*From: Exeter, New Hampshire 1888-1988 by Nancy Camegie Merrill*

# ANNUAL REPORT

Town of Exeter, New Hampshire  
For the year ending December 31, 2007

Exeter School District  
For the year ending June 30, 2007

## DEDICATION

The 2007 Exeter Town Report is dedicated to Benjamin "Ben" Swiezynski, Jr.

Ben was the quintessential Exeter supporter. He was someone who loved the Town dearly, and put many hours into capturing its historical moments on film. Ben was entertaining to talk to and a pleasure to be around. Ben was on the Building Committees and Founding Committees for the Seacoast School of Technology and the former Junior High School. Anyone who attended school here in Exeter knew of Ben's dedication to the students of all ages. Ben was a member of the Exeter Chamber of Commerce and was honored as Exeter Citizen of the Year twice. Ben gave back to the Town selflessly over the years, had a great sense of humor and had a passion for education as well as student athletes. Students of the Exeter Elementary, Middle School and High School will always remember Ben's presence at events and banquets, capturing the moments of their youth. It is with great admiration that we dedicate this year's Town Report to Ben Swiezynski, Jr.

## Fire Department Call Captains Retire

Wayne C. Raymond, Ray M. Simpson, Jr., Donald E. Morrisette  
(Photo courtesy of Harry Thayer)

On December 31, 2007 three long-time employees of the Town of Exeter retired. Call Captain Wayne C. Raymond, Call Captain Ray M. Simpson, Jr., and Call Captain Donald E. Morrisette, all second generation firefighters, served with the Exeter Fire Dept. and Rescue for a total of 50, 45 and 40 years respectively

Call Captain Raymond began his career as a call firefighter, and was promoted to a permanent position where he served 28 years. Raymond's father was a volunteer firefighter with the Raymond Fire Department

Call Captain Simpson also began his career as a call firefighter, and was promoted to a permanent position where he served 23 years. Simpson's dad was Exeter's fire full-time firefighter and was later promoted to Chief of the Department.

Call Captain Morrisette spent his entire career on Engine Company 1, where his father had served.

We thank them for their years of service to the Town of Exeter.

**INTERESTED IN SERVING ON A BOARD OR COMMITTEE?**

The Town of Exeter thrives on volunteerism. The Town has several Boards, Committees, and Commissions, and is always looking to maintain a strong list of capable volunteers.

If you are interested in serving on the Budget Recommendations Committee, you will need to be elected at our March Town Meeting. You must contact the Board of Selectmen during the year, prior to the Deliberative Session to add your name to the "Slate of Officers". Or, prior to the Deliberative Session, complete the Volunteer Application in the back of this town report and forward to the Board of Selectmen.

For other Boards and Committees: Arts Committee, Cable Television Advisory Committee, Conservation Commission, Council on Aging, Exeter Development Commission, Heritage Commission, Historic District Commission, Housing Authority, Planning Board, Recreation Advisory Board, Open Space Committee, Town Building Advisory Committee, Water & Sewer Advisory Committee, Zoning Board of Adjustment, complete the Volunteer Application in the back of this Town Report and forward to the Board of Selectmen.

Thank you for volunteering!

**Did you know** *Edward Gilman, Jr was welcomed as a citizen in 1647 with a grant of land and the right to establish a sawmill, the first in Exeter. His father Edward Sr., and his brothers, John and Moses, followed him. Although Edward Jr was lost at sea in 1653, the remaining Gilmans prospered as lumbermen, shipbuilders and merchants. They served in prominent positions in the town, colonial government, and militia.*

*From. Exeter, New Hampshire 1888-1988 by Nancy Camegie Merrill*

**FIRST SESSION OF ANNUAL TOWN MEETING – DELIBERATIVE SESSION**  
**Saturday, February 3, 2007**  
**Exeter Town Hall 9:00AM**

Town Moderator Charles Tucker called the First Session of the Annual Town Meeting to order at 9:00AM and asked attendees to stand for the Pledge of Allegiance to the Flag. He introduced the Town Officials seated at the head table: Selectmen Robert Eastman, Lionel Ingram, William Campbell, Joe Pace, and Chairman Paul Binette, Town Treasurer Donald Brabant, Finance Officer Jack Sheehy, Town Manager Russell Dean, and Town Clerk Linda Hartson.

Moderator Tucker explained the purpose of the meeting is to deliberate, debate and/or amend the Articles being presented on the Town Warrant for voting on Tuesday, March 13, 2007. Moderator Tucker explained the process for “amending” an Article at this meeting.

Articles 1 through 3 do not require any action at this meeting. Article 1 elects the Town Officers, and their names will be on the March 13<sup>th</sup> ballot. Articles 2 and 3 are Zoning Amendments, which were heard at Planning Board public hearings prior to this meeting, and will appear on the ballot as written. This meeting has no power to amend these Articles.

**Article 4:** To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

**Budget Recommendations Committee (1 year term)**

Robert Aldrich	James Baron	Eileen Blanchard	Jay Childs
Gerard Hamel	James Knight	James Mansfield	Anne Surman
Christopher Moutis			

**Fence Viewer:** Peter Dow

**Measurer of Wood and Bark:** Robert Eastman

**Weigher:** Jay Perkins, Sr.

**Article 5 – 26:** No action – will appear on ballot as presented.

**Article 27:** Amended as: property tax elderly exemption increased 5% over 2006 figures.

**Article 28-35:** No action – will appear on ballot as presented.

Moderator Tucker explained the only business to come before this meeting would be a motion to adjourn. Mr. Moyer made a motion to adjourn and the meeting to be continued for voting purposes on Tuesday, March 13, 2007; it was seconded.

Meeting adjourned at 11:45AM.

Respectfully submitted,

Linda Hartson Macomber, CMC  
Exeter Town Clerk

**MINUTES OF TOWN MEETING - MARCH 2007**

Second Session – Talbot Gym – Tuesday March 13, 2007

(Ballot on all articles. \* = declared winner/result)

## **BOARD OF SELECTMEN**

The Exeter Board of Selectmen is pleased to submit to the residents of Exeter our annual report for 2007. The Exeter Board of Selectmen is composed of five elected individuals who are entrusted with the responsibility to manage the prudential affairs of the Town and oversee the management of the municipal functions of local government.

<b>Robert Eastman</b> <i>Chairman</i>
--

At the annual Town Meeting in March, Julie Gilman was elected as Selectman. The Board thanks Paul Binette for his years of service and commitment (11 years Planning Board, 18 years Selectman) and is recognized by the Board of Selectmen for his significant contributions to the Town.

As part of an overall upgrade and Capital Improvement Program the Town started the replacement of a new transmission water pipeline from Water Street to Epping Road, and construction started on a new 1.5 million gallon elevated water tank off Epping Road. These projects are scheduled for completion in 2008.

The Swasey Parkway Pavilion was completed. This addition enhances the beauty of the Parkway and provides a great setting for summer concerts. The Board wishes to thank the Trustees for their fundraising efforts and the many citizens who contributed to this project.

The Town witnessed the completion of the Squamscott Block Project on Water Street. This project includes retail and thirty apartment units.

The Board also wants to acknowledge the dedication and work of the citizens on all of the Town's Boards & Commissions. These citizens provide the Town with invaluable service, input, and expertise as the community strives to maintain and improve the quality of life in Exeter. We encourage everyone to participate in your Town government.

The Board was pleased to welcome Jennifer Perry to her new position as Public Works Director upon the retirement of Keith Noyes. Ms. Perry brings years of experience as Town Engineer and part of the Public Works Management Team. The Board wishes to thank Keith for 20+ years for his leadership, loyalty and dedication to the Town.

In closing, the Board acknowledges the death of Ben Swiezynski. Ben was an advocate for the Seacoast School of Technology, dedicated to his family, community minded, and full of good humor. We offer our condolences to his family and our appreciation for his many contributions to the Town of Exeter.

## TOWN CLERK

The Town Clerk's Office is comprised of five major functions: motor vehicles, vital records, voting and elections, licensing dogs, record keeping. The staff continues to attend various training sessions throughout the year, which helps us to be capable of meeting the day-to-day challenges of this Office while serving the public.

**Linda Hartson Macomber, CMC**  
*Town Clerk*

This year our challenges included becoming comfortable with the technological advances of the various State Agencies we work with on a daily basis. The "E-Reg" program for renewing vehicles on line and the mail-in renewal program is being utilized by many of our residents and seems to be a welcomed service.

Another challenge involves compliance with the State and Federal Government to implement the "Help America Vote Act" which calls for a computerized central voter checklist. Exeter's Checklist Supervisors, Margaret "Peg" Duhamel, Winifred "Fritzi" Bernard, and Joanne Toland, as well as the Town Clerk and other staff members attend periodical work sessions that the Secretary of State and Attorney General provide relative to this Statewide project. This computerized voter checklist needs to be in place in 2008. Every city and town in New Hampshire is diligently working on implementing this computer program. Exeter's staff continues to work on updating the voter information resulting in a more accurate, secure voter checklist, protecting the integrity of our voters. My grateful appreciation to the Checklist Supervisors for the many hours they spend on this important project. I also thank the residents who help at the polls each election. They put in many hours, and are always willing to give of their time.

We continue to receive many requests for certified copies of certificates for marriages, births, and deaths occurring anywhere in New Hampshire within a specific data range. The need for passports for travel outside the United States will certainly cause an influx of requests for certified birth certificates.

The continued support of my co-workers, Eve Quinn, LeeAnn Simpson, Debbie Unger and Andie Kohler is deeply appreciated and my thanks are extended to each and every one of them for their hard work and professionalism during this past year. Our goal is to keep the lines of communication open and accept the challenges ahead in a positive manner.

I thank the residents for their confidence in my abilities to continue being your Town Clerk, and for the opportunity to work with the many different departments throughout our Town. I look forward to a challenging and eventful 2008.

## TOWN MANAGER

This represents my third annual report as Exeter Town Manager. The Town Manager is the chief administrative officer of the Town, appointed by the Board of Selectmen under RSA 37. I am happy to report on a busy 2007 that saw continuing progress on several fronts.

**Russell Dean**  
**Town Manager**

The Squamscott Block retail/housing project was completed in the Fall of 2007. This project, located on Water Street adjacent to the Town Hall, will provide low to moderate income apartments, along with market rate apartments. The project was partially funded through an \$800,000 CDBG grant administered by the Town of Exeter, and we were proud to be part of the project.

The Town also saw several significant capital projects move forward in 2007. The Water Tank and Distribution Systems project from Water Street to Epping Road is nearly 70% complete. The new 1.5 million gallon storage tank should be on line by the end of 2008. A brand new 12" water main is completely finished and will increase water quality for those on the system. The Stewart Park seawall project was also completed. This will ensure the seawall does not collapse. We thank Phillips Exeter Academy who made a \$35,000 donation to the Town which assisted in the project's construction. Finally, in late November, the Swasey Parkway Pavilion was completed, which will be a beautiful addition to the Parkway. Voters contributed \$40,000 of Town funding to this project with the rest of the money raised by private donations and in-kind services.

The Town also saw some significant personnel changes in 2007. After 22 years of service, DPW Director Keith Noyes retired. In November of 2007, Town Engineer Jennifer Perry was promoted to permanent status as our new Public Works Director. In her brief tenure Jennifer has shown the leadership qualities needed to move the Department into the future, and she will serve the Town well. In the Finance Department, Jack Sheehy left for a new position in Milford, NH. As I write this the Town is currently between Finance Directors and we are utilizing the services of Municipal Resources, Inc. to assist us on financial matters. In the Fire Department, Lieutenant Phil Kendrick retired after 18 years of service. In November, the Board of Selectmen authorized 4 new hires for the Fire Department. These hirings will significantly reduce overtime without sacrificing the level of service that Exeter residents expect.

After several years of increasing property values, the Town saw its first decline in many years. Our total valuation declined by almost 1 percent to just over 1.6 billion dollars. The tax rate was set in November 2007 at \$20.07 per \$1,000 of assessed value, with \$5.24 as the town's share of the total tax rate.

Managing a community of this size would be impossible if it weren't for a great deal of help. I would like to thank all of our Department Managers for their support this past year. In addition, I would like to thank all of our employees in all of our departments for the service they provide, to make Exeter a great place to live. I'd also like to thank the Board of Selectmen for their support and guidance throughout the year. Finally I'd like to thank all of our volunteer boards and committees, and our community "movers and shakers". Exeter has had another great year because of all of you.

## POLICE DEPARTMENT

The Exeter Police Department is a full service 24 hour per day, seven day per week department that provides the initial response in most emergency situations. The Exeter Police Department prevents crime, preserves order, and protects the lives, rights and property of all our residents, business owners and visitors. A Mission Statement guides the employees of the Exeter Police Department in the performance of their duties. These statements emphasize our commitment to our community.

**Richard Kane**  
*Chief of Police*

The Exeter Police Department is continually looking for ways to meet the demands that are placed on it by the increasing population and growth of the Town. The Department is tasked with a growing list of public safety responsibilities, which include combating serious crimes, homeland security concerns, traffic congestion and enforcement, additional calls for service and expanded patrol areas. We are determined to professionally and competently perform our duties, while trying to balance the financial impact to the citizens.

Special thanks, as always, go to the Board of Selectmen, Town Manager Russ Dean, the members of the Budget Recommendations Committee and Department Heads for their support throughout the year.

I would like to take this opportunity to thank the men and women of the Exeter Police Department for their hard work, dedication and sacrifice in service to law enforcement and the safety needs of our community. It is their dedication and professionalism that helps make Exeter such a great place to live and work. Finally, I would like to thank the families of our employees for the sacrifices they make everyday.

Swasey Parkway flooding  
April 2007

# **THE MISSION STATEMENT**

of the

## **EXETER POLICE DEPARTMENT**

The Exeter Police Department exists to serve and protect all people within our jurisdiction with respect, with fairness, with compassion, and without prejudice. We do this to ensure a safe, healthy environment in which to reside, work, and enjoy life.

We, the men and women of the Exeter Police Department, value:

**Quality Services** - We work to anticipate and prevent problems; we will listen to concerns and respond accordingly; we will seek innovative solutions; and we will respond to issues with fairness, sensitivity and compassion.

**Cooperation** - We actively seek and encourage community involvement in all aspects of policing by way of ideas, opinions, and joint actions. We recognize that more can be accomplished when actions are taken collectively rather than individually.

**Professionalism** - Our personal standard for conduct shall be viewed as exemplary to others. To achieve this we shall: individually and collectively promote self-discipline, take pride in our accomplishments, recruit and hire the best people, and train, educate and develop our employees to their highest potential.

**Competence** - We assure the tasks set forth will be accomplished in the most effective and efficient manner. We will be accountable for our actions. We encourage reasonable risk-taking and are tolerant of honest mistakes, we will address and correct behavior which is contrary to the primary mission of this agency, and will recognize and reward good performance.

**Integrity** - We are honest and truthful and will hold ourselves to a higher standard of moral and ethical conduct. We value the reputation of this agency and will collectively act to prevent abuses of the law and violations of civil rights.

We will continuously pursue these ideals in all our actions to ensure that we will maintain the primary mission of this agency as being, "Fully Committed To Our Community".

## FIRE DEPARTMENT

Over the past year a study was completed by MMA Consulting Group. This company spent several months looking at the Fire Department operations, policies and procedures. We will use this information to set a course for the future of the department. Some of the recommendations have already been addressed.

**Brian Comeau**  
*Fire Chief*

With support from the Board of Selectmen and Town Manager, the Fire Department was able to restructure its budget and hire an additional 4 firefighters to meet the request for services and to address the staffing issues mentioned in the study.

By adding these personnel this department can respond to emergencies quicker, safer and in a more cost effective manner.

Full details of the study can be found on our web page at [town.exeter.nh.us](http://town.exeter.nh.us).

As always, the members of this department look forward to providing the best services to the people we protect.

I would like to take this opportunity to thank my staff and all the members of this department for the fine work that they do everyday, the Board of Selectmen and the Town Manager for their continued support and direction.

## EMERGENCY MANAGEMENT

The year 2007 was thankfully not as busy as last year with flooding, hail storms and other significant incidents. The spring rains had several people worried of a repeat of the Mother's Day flooding of 2006; however the predicted rainfall fell short and the localized flooding was not as severe as expected.

**Eric Wilking**  
*Assistant Fire Chief*  
*Deputy Emergency Management Director*

Much was accomplished behind the scenes this year with updates to the Emergency Plan and town wide preparedness. The purchase of a used portable lighting trailer through the federal surplus program will allow us to work more safely during the night time operations, such as filling sand bags or deploying sandbags and inspecting the areas of Great Bridge and Dam.

The Town of Exeter's Emergency Plan will likely be a work in progress for many years with continued State of New Hampshire and Federal requirements in Homeland Security and Emergency Management. With evaluation of each incident we learn what worked and what needs to be improved before the next incident. This process of evaluation was employed after the incidents of 2006 and some of the recommendations were to coordinate with the Exeter Schools and the Red Cross to better outline necessary shelter facilities and supplies. The readiness of the Emergency Management Division could be enhanced by the acquisition of ready supplies such as portable pumps, generators, lighting, and traffic management equipment. Currently these resources must be obtained from area vendors during the event, and competition with other communities for this equipment decreases our safety and efficiency. Some of these items have been requested in the FY08 general budget and other grant monies will be sought for additional equipment to provide a quicker and more efficient delivery of services to the residents of Exeter.

Everyone at the Exeter Fire Department and the Division of Emergency Management would like to thank all residents of Exeter. It's your commitment to safety and the use of good common sense that has allowed us to provide the best quality service in the most efficient manner. Your continued support and vigilance will be necessary for the Town of Exeter to remain prepared to meet the future Emergency Management challenges.

---

**Did you know**..... "Exeter had no banks until 1803, when the Exeter Bank was chartered. After that, Exeter usually had two or three in operation at any one time, under varying names and charters. (The Exeter Savings Bank went into receivership in 1873 when its cashier, N. Appleton Shute, absconded after having embezzled a large part of the bank's funds.)"

*From: Exeter, New Hampshire 1888-1988 by Nancy Carnegie Merrill*

## HEALTH DEPARTMENT

**Judy Jervis**  
*Deputy Health Officer*

A complete breakdown of the department's health related activities are within the Exeter Fire Department Consolidated Report. For information on current health issues and links to other health agencies visit the Health Department website at [town.exeter.nh.us](http://town.exeter.nh.us).

As of October 31, 2007 we had 88 food service facilities. Facilities require two inspections per year: one for license renewal and one routine. There were 7 new facilities, 5 of those were change of ownerships. The department has done 11 plan reviews for new or upgraded facilities. Four of the plan reviews are still pending, to be opening by the end of 2007 or within the first two months of the new year. New facilities, change of ownership, or upgraded licenses all require a pre-opening inspection. There were 12 facility closures; 5 of which reopened with a change of ownership.

Complaint investigation issues varied in nature from mold, sewage, trash, lead paint, water quality to food service operations. There were 10 food service complaints. All were followed up with an inspection. The department conducted one food recall investigation per request from the NH Bureau of Food Protection. There were 18 other complaints, several requiring follow-up investigation.

Complaint issues have led to the development of new health ordinances in the areas of mosquito control and trash and litter control. The ordinances should be ready for the upcoming year.

The Mosquito Control Plan continued for the 2007 season. The objective of the public health mosquito control is to prevent transmission of mosquito-borne diseases. An integrated pest management approach has been taken by the department and the mosquito control vendor, Municipal Pest Management. The plan includes such prevention control items as source reduction and chemical control. Catch basin larvaciding to control larval mosquitoes began in April and continued through October. Barrier spraying was done around the parks and public gathering areas. Public Advisory Notices were placed around town for the benefit of citizens to protect themselves from mosquito bites. One adulticide-street spray was done in September due to some of our adjacent towns having positive EEE mosquito pools. Surveillance, trapping and testing was conducted throughout the season. The Town had no positive mosquito pool for WNV or EEE, nor did we have any positive birds for WNV.

NH local public health entities continue to undertake new initiatives. These initiatives are in the emergency preparedness arena. The All Health Hazards Preparedness initiative continues. This year the department has become involved with the Boston based Cities Readiness Initiative, NH Point of Contact Group and with other regional groups for the planning and implementation of our All Health Hazards Preparedness Plan. The Exeter Area Point of Distribution Plan has been completed. The medical surge and education components are being developed. The Exeter AHHP Region conducted a tabletop exercise in August.

The department attended workshops and conferences throughout the year. Our attendance keeps the department current with law changes, enforcement issues and developing policies as they emerge from NH Department of Health and Human Services and Department of Public Health.

Questions or concerns regarding public health issues may be directed to the Exeter Health Department by calling 773-6132 or e-mail to: [healthofficer@exeternh.org](mailto:healthofficer@exeternh.org)

## PLANNING DEPARTMENT

Planning Department – 2007 Year in Review

<b>Sylvia von Aulock</b> Town Planner
--

One of the many aspects of the Planning Department is that we work with multiple volunteers and committees. This year, I wanted to highlight the work of these committees.

### Examples of Local Committees:

The *Zoning Ordinance Review Committee (ZORC)* is a subcommittee of the Planning Board tasked with revising the Zoning Ordinance. The committee is made up of representatives from the Planning Board, Board of Selectmen, Historic District Commission, Conservation Commission, Rockingham Planning Commission (RPC) and staff (Town Planner and Code Enforcement Officer). In 2007, the committee's focus was on revising Chapter 2 (definitions) and Chapter 4 (allowable uses). They also tackled "residential conversions" which was taken out of the ordinance in 2006 with the intention of developing improved provisions. The committee also recommended various changes in Chapters 5 and 6. Several interested property owners met with the group to suggest changes. The committee will continue their work on revising the Zoning Ordinance in 2008.

For several years the *Downtown Restoration Committee* has been working toward improving the central downtown area with emphasis on public safety, historic restoration and highlighting the civic area within downtown. In 2007, the committee hired the consulting team of CLD Engineers to take the project through the engineering phase. With input from the committee, CLD conducted a site survey, adapted the conceptual plan to actual dimensions, conducted a public workshop, met with the Board of Selectmen, met with the Historic District Commission, and conducted several technical reviews with staff. Much of this information has been put on the town's website so that interested parties might follow the project. The Capital Improvement Program Committee, Budget Recommendations Committee, Board of Selectmen and Historic District Commission have supported the project.

Each year, the *Capital Improvement Program Committee (CIPC)* works with staff to develop the annual CIP. The committee reviews the capital projects brought forth by the various departments, makes recommendations to staff, prioritizes all projects according to their relative importance and presents their findings to the Planning Board. A CIP report can be obtained at the Planning Office.

### Examples of Regional Committees:

COAST, the region's public bus system, is overseen by an Executive Committee made up of multiple towns, regional planning organizations, Pease and others. As Town Planner, I am Exeter's representative on this committee. The committee provides assistance to the Coast management team in hopes to provide safe, economical and efficient public transportation to the region.

Rockingham Planning Commission (RPC) is heading up a *Regional Brownfields Committee* to identify, assess and adopt a strategic plan regarding regional brownfields sites. In December of 2007, a consultant firm was hired to assist the committee with this project. As Town Planner, I am Exeter's representative on the committee.

As always, I would like to thank the many volunteers that work with the Planning Department. Your dedication is inspiring. Thank you.

## BUILDING INSPECTOR

This year, 2007, has seen a significant change in the building code, as this is the first time the State of New Hampshire has adopted a Residential Building Code. This means that all towns and cities are under the same building rules.

Douglas Eastman  
Building Inspector  
Code Enforcement Officer

Exeter remains busy with new home construction this year with two major sub-divisions still underway. These include the Forest Ridge development on Watson Road and the Sterling Hill Development retirement community off of Guinea Road. Commercial development is on a slow but steady course but we are seeing a slight rise in that area.

Major projects involving the Building Department this year include the new Squamscott Block building on Water Street, the Exeter Seacoast School of Technology building renovation on Linden Street, the Exeter Hospital east & west wing renovations on Alumni Drive, the Phillips Exeter Academy renovations of the Mayer Art building, the Osram Sylvania addition on Portsmouth Avenue and two new dental clinics on Hampton Road.

The Zoning Board of Adjustment and Historic District Commission applications are about the same as last year as residents and developers are looking to use every part of their properties to the fullest extent.

As always, our office is open to answer any questions that residents may have regarding land use and building codes. I would like to acknowledge the staff, Art French, Barb McEvoy and Christine Szostak who keep the office running as smoothly as possible during the busy year.

---

*Did you know* ..... "As Exeter's building boom continued in the 1890's, the town's hope that its increasing population would qualify it for a federal post office building seemed about to be realized. The post office was then located in the Merrill Block on Water St. When the 1890 census returns were released, however, Exeter's population was just 4,284, not enough to qualify for a federal building."

*From: Exeter, New Hampshire 1888-1988 by Nancy Camegie Merrill*

## PUBLIC WORKS DEPARTMENT

**Jennifer Perry**  
*Public Works Director*

Preservation of Town infrastructure, essentially the Town's investments, is a vital role of the Public Works Department. Accomplishing this within budget requires planning, coordination, and a dose of ingenuity. Add to that mix the vagaries of weather, such as the floods in April and the early heavy snows of December, and the challenge is even greater. However, the overall goal of asset management is one of our priorities.

One of the Town's most visible assets is its roads and pavement. The Road Surface Management Program included the resurfacing of Beech Hill Road, Birch Road, Columbus Avenue, Douglas Way, Hampton Falls Road, Ridgecrest Drive, Spruce Street, and Spruce Court. In an effort to take advantage of the "clean slate" of new pavement at the Library, Center Street and Municipal lots (downtown), parking spaces were reconfigured, adding a total of 15 sought-after spaces.

Much of the Town's assets are not as visible as the roads. Water distribution and sewer and stormwater collection system piping may be "hidden" below ground, but their condition and integrity are essential to providing good service. We have undertaken an effort to assess the condition of these piping systems to develop an improvement program that can be dovetailed with the road surface management system. The Epping Road water main project is a good example of this effort to bundle paving and piping projects. The effort to assess the condition of the sewer collection system, which includes cleaning and televising sewer and drain lines, will enable us to reduce the amount of stormwater inflow and groundwater infiltration that enters the sewer system. This will reduce the amount of stormwater unnecessarily treated at the wastewater plant and the frequency and volume of combined sewer overflows.

Exeter continues as a regional leader in stormwater management, taking the lead role on a grant providing training for municipal employees throughout the Seacoast. The training focused on ways to improve municipal operations and resulting in improved water quality in the region. Training was provided to over 220 employees from 18 communities. Other projects included expansion of the planted buffer along Norris Brook in Swasey Parkway and installation of an interpretive sign explaining the importance of vegetated buffers; continuation of the storm drain stenciling program; successful grant application to develop a pet waste program to prevent waste from entering local waterways; and initiation of stream assessments, establishing baseline data on Exeter's streams and brooks, in coordination with the Planning Department and Conservation Commission.

We have undertaken several major capital improvement projects on the water system. The new Epping Road composite tank is under construction, and will be on line by July 2008, which will improve pressure in much of the system. 5,600 feet of new 12" water main were installed along Main Street and Epping Road to the tank site, improving flow to and from the tank. We have also laid the groundwork to initiate a groundwater exploration program, with the installation of test wells in the vicinity of our existing groundwater supplies in 2008. Lary Lane well has been shut down and placed in emergency "standby" mode, due to the presence of arsenic.

The Water Treatment Plant continues to provide the majority of the water supplied to the system. Numerous improvements have been completed to keep this facility producing quality drinking water for the foreseeable future, including the rehabilitation of the first of two clarifiers. The second clarifier will be rehabilitated in 2008. All four filters were rehabilitated with new support and filter media and surface wash mechanisms. One filter was retrofitted with granular activated carbon, rather than the traditional

anthracite coal and sand media, and is being tested to see if process improvements can be achieved. Other improvements include overhaul of the finished water pumps and replacement of controllers and addition of a second pump and variable speed drive at the River Pump Station.

The majority of operational costs at the Wastewater Treatment Facility are due to the cost of electricity to run the aerators in the lagoons. The replacement of some of the high energy mechanical aerators with solar powered circulators holds promise for reducing our operational costs. The solar mixer pilot project has demonstrated success and continues into its second year. The monthly average energy usage dropped 45%, resulting in annual average savings of \$90,000. However, some effluent quality trends require further study and possible refinement of operations.

The Maintenance Department works hard to keep our Town buildings, facilities and fleet running smoothly and efficiently. We are incorporating these operations into our asset management software to better track work orders, materials and labor costs.

We will continue to improve the management and operations of the Town's investments to serve the community now and in the future. We appreciate the assistance and support of other Town departments and staff, and guidance of the Town Manager, Board of Selectmen, and the Water & Sewer Advisory Committee.

Stream Survey on Little River with members of DPW, Planning & Conservation Commission Aug 2007

## ATTENTION – DRAINS TO RIVER

Keep an eye out for this stencil in your neighborhood. Exeter Highway employees are painting the message "Attention – Drains to River" at storm drains throughout town. We want the public to make the connection between the storm drain in the street or parking lot and the local waterways used for drinking water and recreation. Many communities around the United States are using a painted message to inform the public that storm drains are directly connected to waterways. In the past, storm drains were designed to collect water and direct it away from homes, businesses and roadways as quickly as possible to prevent flooding. The rain and snow melt (stormwater) that enter the storm drains is not the same water that fell from the sky. As stormwater travels across streets, driveways, parking lots and yards, it picks up contaminants such as oil, antifreeze, gasoline, litter, pet waste, pesticides, fertilizers and other chemicals that have been carelessly discarded. Most of Exeter's drainage systems are older and were not designed to treat or remove pollutants from stormwater. Exeter has sixty-five outfalls throughout town that discharge stormwater to local waterways including the Exeter and Squamscott Rivers. Please help protect our local waterways.

- Fix oil and other engine leaks in your vehicle.
- Use fertilizer and pesticides cautiously, consider testing your soil to avoid using more chemicals than you need. If fertilizing, use a slow release nitrogen fertilizer.
- Pick up and properly dispose of pet waste.
- Wash your vehicle on grass or gravel, or better yet take to a car wash facility where the wash water is treated and recycled.
- Dispose of household chemicals at the Household Hazardous Waste Collection Day, the first Saturday in October.
- Please don't litter, that includes cigarettes!
- If you wouldn't want to swim with it, make sure to dispose of it properly.

Highway Dept. employees Walter Dow and Joe Pelchat marking drains on High Street

## **PARKS & RECREATION DEPARTMENT**

2007 has been another successful year for our department. Again our Summer Adventure Camp and swim lessons sold out. Our Children's Concert Series was expanded and saw record attendance. If you have not yet taken advantage of our on-line registration program, then log on to our website ([town.exeter.nh.us](http://town.exeter.nh.us)) and check it out! It can save you a great deal of time.

**Michael Favreau, CLP**  
*Parks & Recreation Director*

Our continuation of park improvements saw a deck expansion at the swimming pool with two new "shade structures" providing seating out of the sun. These were well received by everyone. We added a piece of playground equipment at Kids Park on Winter Street and cannot forget the major overhaul of the Skateboard Park. The Park was stripped of all the old cement structures and repaved. We completed two phases of a four-phase upgrade with new "Skate Wave" structures. This would not have been possible without the generous donation from Ginni & John Littlefield, whose son the Park is named after.

We would like to take this opportunity to thank all the volunteers who coach our teams. Your contribution is key to the programs success and key to the development of our youths.

All of us at the Parks & Recreation Department look forward to serving you in 2008. We are always open to suggestions from the community regarding future programs and activities.

Cindy Lundberg, Office Manager  
Mike Gingras, Park Foreman  
Gary Snook, Park Maintenance

Greg Bisson, Assistant Director  
Nancy Bugbee, Office Assistant  
Alice Wood, Office Assistant

Enjoying the skating rink at Park Street Common made possible by the Parks & Rec. Dept.

## Join the Adopt a Garden Program!

This "Adopt-A-Garden" is sponsored by the Exeter Women's Club near Kid's Park on Front Street.

### **What are the Adopt a Garden Programs?**

The "Adopt a Garden" program is designed to show visitors and residents alike that we care about our town and the way it looks. Given the Parks & Recreation Dept. numerous seasonal demands, this program has assisted us and has made the gardens throughout the town more beautiful.

### **Who can Adopt a Garden?**

Anyone! Local community organizations and clubs, churches, businesses, families, even individuals aged 18 years or older. (Groups with members younger than 15 must have adult supervision when working their adopted location.)

### **Why Adopt a Garden?**

The program gives you a way to show pride in your community. You also get recognition for your efforts on the "Adopt a Garden" signs near your adopted garden.

### **How does it work?**

In this program volunteers select a roadside or intersection garden to plant and maintain. Each organization is asked to make a season commitment to their garden. The group, together with the Parks & Recreation Department selects and provides suitable planting materials. We can provide flowers or make arrangements for your group to pick them up at our cost (within reason). Your group would then provide periodic weeding of the site. Call the Parks & Recreation Dept. at 773-6151 to get started!

Many thanks to the following groups/individuals that participated in the 2007 Adopt a Garden program. Exeter Women's Club – Kid's Park; Judy Kirn – Water Street Common; Churchill's Garden Center – Holland Way Island at Rte 27; Peter Gillian – Town House Common; Paula Francese – Founder's Park; Exeter Copy – Water St Boat House area, Jeff Hart – Gale Park; Easter Seals – Center Street Common/Powder House; Exeter Area Garden Club – Bandstand, Deschenes Landscaping – Rte 111A & the Train Station; Exeter Day Spa – Town Hall, Town Office & Chamber of Commerce, Exeter Flower Shop – Swasey Parkway Entrance, E-Learning Charter School – Powder House

## **PUBLIC LIBRARY**

### Vision

The Exeter Public Library is to be the informational hub for the Exeter area, a vital institution that attracts and stimulates a vibrant community.

<b>Hope Godino</b> <i>Director</i>
---------------------------------------

### Mission

The Exeter Public Library's mission is to promote a literate, enlightened citizenship by providing equal access to a range of media, services and programs to meet the information and recreational needs of the community, and to encourage the discovery and evaluation of ideas and information, especially recognizing the library's responsibility as a place for children to discover the joy of reading.

Have you been in YOUR library lately? If you haven't you are missing out on using one of Exeter's greatest attributes!

Exeter's population is not stagnant and neither is the Exeter Library. Since the library is the hub of our community, the Trustees and staff work to ensure we offer materials, programs, and services that fit the needs of all residents, younger, older, or somewhere in between.

Story times for children, lap-sit for toddlers, book talks for teens and seniors, book discussions for adults and a variety of programs, books and materials for Exeter residents of all ages keeps the library an active and lively place all year long.

Many children enjoyed stories and art projects in the children's room while their parents or caregivers had a chance to choose books or just sit and relax in the comfortable seating area in the Children's Room. Due to popular demand we offer two book discussion groups for children grades 3-5.

Teens continue to help as the Teen Advisory Board by suggesting programs, discussing books and decorating the Teen Scene Area in the library. The Teen Book Group has been so popular that now we offer two groups for teens.

Librarians bring programs to children at the Exeter Recreation Adventure Camp, Great Bay Kids Summer Camp at the Exeter Elementary Schools, and various town-wide locations. Several librarians brought books and presented book talks to the teens and to Exeter seniors.

In order to fulfill our mission and vision we offer a variety of programs and materials for residents of all ages, interests, and abilities at the library and through outreach programs.

In addition to books in regular, large print and on CD, we now offer downloadable books for MP3 players and computers.

Many adults spend time checking e-mail, surfing the internet, searching for employment, writing resumes, taking career preparation tests using library computers. We have added additional computer stations to serve that need. The library has Wi-Fi access for patrons with laptops.

So, if you have not been in YOUR library lately, come in and see what you have been missing!

## WELFARE DEPARTMENT

General Assistance is designed to provide short-term assistance to eligible residents of the Town of Exeter. Assistance is granted for the help of basic needs such as shelter, food, utilities, and medical needs and is always done in the form of a voucher. All recipients of General Assistance agree to reimburse the Town when they return to an income status that allows them to do so.

**Sue Benoit**  
*Director*

The economic struggle for many of Exeter's families and individuals still continues whether it's the low income or the working poor. Affordable housing, homelessness, and unemployment appear to be the biggest challenges that have been observed in my office this past year. For any situation or crisis I provide education, resources, or direct services to each and every individual.

I have been actively involved with many programs this year. The Chamber of Commerce warm winter clothing program provides vouchers for winter clothing for children. St. Michael's/St. Vincent de Paul churches provide substantial financial assistance and a number of services for those in need. Feed My Lambs, an organization of local churches provide funds for gas, food, and other necessities to the residents. Food pantries, Thanksgiving, and Christmas holiday programs are also supported by local churches.

I would like to thank all the individuals that have assisted those in need during the past year and the support we received within the community. Also, the Board of Selectmen, our Town Manager, fellow Department Managers and all other town employees for your cooperation and support during the year.

Page Turners, 4<sup>th</sup> & 5<sup>th</sup> grade Library Book Group, Exeter Public Library

## CONSERVATION COMMISSION

It was the rivers that brought Reverend John Wheelwright, both literally and figuratively up the Squamscott in 1638. Our colonial ancestors utilized the waterways for food, transportation and mills. As Exeter grew and prospered so did the expansion and use of the river and many streams that eventually flowed to Great Bay and the sea. Unfortunately this progress, over time, also negatively impacted our watersheds. We dumped our waste directly into the river; the great mills that sprang up soiled the waters with toxins and the dams created barriers to fish passage.

<b>Don Clement</b> <i>Chairman</i>
---------------------------------------

The Clean Water Act in the 1970's began a process of cleaning up our waterways and the quality of the water and fisheries began to improve. While we are more knowledgeable today, another threat faces our waterways. As we grow, we have stripped away our shoreland buffers, created more impervious surfaces and routed storm water directly into the once pristine streams. This storm water carries sediments and other untreated pollutants into the streams, rivers and ultimately to Great Bay.

The bad news is that our streams are warmer, more turbid, more stratified and more prone to channelization and flooding. The good news is that we are initiating several endeavors to study and restore Exeter's watersheds. Last summer the Commission along with the Planning Department and the Public Works Department began the Exeter Stream Survey. This effort provided us with baseline surveys about the conditions of some of Exeter's streams.

The Exeter River Watershed Vulnerability Assessment is a larger scale project managed in conjunction with the Department of Environmental Services (DES) and the Exeter River Local Advisory Committee (ERLAC) to determine which sections of the Exeter River watershed suffer the greatest impacts to water quality today and in the future. From this study, three sub watersheds were chosen to have complete watershed management and restoration plans developed over the next couple of years.

As a community we can help to reduce the pollutant load of our streams by being careful of what goes into our storm water drains. Remember, those storm drains in our neighborhood streets drain to the river.

The Conservation Commission meets the second Tuesday of every month in the Nowak Room at the Town Office at 7PM. Meetings are also televised on cable channel 22. Information may also be obtained at our website: [town.exeter.nh.us](http://town.exeter.nh.us). We appreciate your help and comments as we continue to work for the protection of the natural resources of our Town.

---

**Did you know**..... "the Wiggins and Clark Brickyard, near the railroad tracks off Wadleigh Street, shipped clay by rail to the Boston Terra Cotta Company, but in 1889 sent the cargo by schooner. The clay in this area contained the right amount of color (a brown-red) to make terra cotta for builders use "

## PLANNING BOARD

It was a busy and productive year for the Exeter Planning Board. A total of 15 major new site plan applications were reviewed and acted upon. Several of the plans required multiple sessions with the Planning Board before all the problems were worked through to the satisfaction of all parties.

<b>Dennis Derby</b> <i>Chairman</i>
--

Of particular interest and importance was the completion of review, conditional approval and start of construction of the Squamscott Block Apartments and retail space.

Other applications included a 50,000 sq. ft. building on Continental Drive off of Epping Road, the Seacoast School of Technology on Linden Street, the Seacoast Academy on Hampton Falls Road, Squamscott Commons (old Junior High School) on Linden Street, and the redevelopment of Globe Plaza on Portsmouth Avenue with the relocation of Rite-Aid Pharmacy.

The Zoning Ordinance Review Committee (ZORC) was formed and operating as a subcommittee of the Planning Board for review, updating and improvement of the Exeter Zoning Ordinances. The 2007 Capital Improvement Program was reviewed and forwarded to the Selectmen and Town Budget Recommendations Committee during July and September.

Board members attended a number of educational seminars during the year to keep updated of changing land use laws and ordinances.

Kenneth Knowles was appointed to the Board as a regular member with a three-year term, after having been an alternate member. Carol Sideris was appointed as an alternate Board member with a three-year term.

The Planning Board continues to be committed to the residents and the Town of Exeter, to manage sustained and beneficial growth for Exeter.

---

**Did you know** ..... "in 1893 Daniel Gilman made plans to open Bell and Crawford Avenues, named for his wife, Minnie Crawford Gilman, and former governor Charles H. Bell. This area paralleled Little River and lay between Court Street and the Exeter River".

*From. Exeter, New Hampshire 1888-1988 by Nancy Camegie Merrill*

## ZONING BOARD OF ADJUSTMENT

The Exeter Zoning Board of Adjustment sits as a five member quasi-judicial body to hear and decide on four types of applications: variance, special exception, appeal from an administrative decision and equitable waivers of dimensional requirements.

**Joseph Stone**  
Chairman

The Zoning Board of Adjustment convened for fourteen meetings in 2007 and considered a total of thirty-three new applications. Thirteen applications for variance were received, six of which were granted, three denied, and three withdrawn. The Board considered one variance application unnecessary and subsequently dismissed it without prejudice. Sixteen applications for special exception were received, ten of which were granted and three withdrawn. At the writing of this report, one variance application and three special exception applications have been considered and are pending final action by the Board.

Of particular interest to the citizens of Exeter should be the fact that at the request of the ZBA, the Planning Board created a "Zoning Ordinance Review Committee" (ZORC) in 2006 to conduct a comprehensive, chapter-by-chapter review of the Exeter Zoning Ordinance. This critical land use document, which affects almost every citizen, has been modified slightly every year but has not been overhauled since the 1970's. The ZORC met regularly throughout this year and presented numerous proposed changes for public hearing discussion by the Planning Board. The ZORC will continue to meet in 2008 in anticipation of finishing this "major" review to provide a more legally efficient and effective ordinance that will serve Exeter's residents well for decades to come.

---

*Did you know* . . . "In 1817 at the two dam sites between Great Bridge and String Bridge, there were a fulling mill, two oil mills (linseed oil), a sawmill, a gristmill, and a woolen mill. In 1824 Dr. William Perry built a mill at the upper dam to manufacture starch from potatoes. He had perfected a method of making sizing from the starch and sold large quantities to the Lowell cotton mills until his process was stolen."

## HISTORIC DISTRICT COMMISSION

The Historic District Commission provides a mechanism to monitor and safeguard the heritage of the town, especially regarding its exterior architecture, in its three historic districts: Front Street, downtown and High Street. Following voter approval of the High Street District last March, the Commission has reviewed its policies, procedures, and application form to reflect this change as well as other zoning changes. With help from the Highway Department, five new signs have been erected at entrances to the District.

**Judy Rowan**  
**Chairman**

As Exeter develops, the Historic District Commission has a key role to play in preserving its heritage. Citizens are welcome to attend the regular Commission meetings that take place the third Thursday of each month at the Town Office. Currently, there are open positions on the Commission and we welcome interested Exeter residents to apply. The Exeter website ([town.exeter.nh.us](http://town.exeter.nh.us)) has an application form that can be completed and submitted to the Board of Selectmen.

It is an honor to serve the town in this capacity.

(Burlingame Block is now the Odd Fellows building on Water Street)*

## OPEN SPACE COMMITTEE

During the final months of 2006, the Open Space Committee's efforts were focused on creating a formal charter outlining the roles and responsibilities of a permanent standing Open Space Committee. A draft charter was formatted and submitted to the Conservation Commission on December 12, 2006, and received approval from the Board of Selectmen on January 22, 2007.

**Gwen English**  
**Chairman**

### **Open Space Committee Charter**

The Open Space Committee is a seven member, staggered-term committee created for the purpose of preserving land and open space in the Town of Exeter. The Committee is appointed by the Board of Selectmen as a sub-committee of the Conservation Commission. The Committee provides recommendations to the Conservation Commission and the Board of Selectmen in accordance with the goals of the Conservation Commission relative to land acquisition and open space, and in line with the goals and priorities of the Open Space Chapter of the Town Master Plan and the provisions of RSA 36-A:2.

#### Committee Roles and Responsibilities are as follows:

1. To make recommendations for the acquisition of open space lands and conservation easements to the Conservation Commission in accordance with RSA 36-A:2;
2. To advise the Conservation Commission and the Board of Selectmen as to proper land management policies, procedures and methods for land acquired by the Town that is preserved for open space;
3. To meet with the Conservation Commission at least twice per year to advise the Commission of the status of current open space parcels and any additional parcels currently under consideration for possible Town purchase;
4. To review and inventory all Town land designated as open space including maintenance of this inventory on a continual basis and to work closely with the Town's Planning Department and Conservation Commission to ensure that documentation regarding open space acquisitions is properly maintained;
5. To support efforts related to grant applications to the State of New Hampshire and other resources for open space acquisition;
6. To educate the Town of Exeter about the benefits of open space land and trends in open space acquisition state-wide, and to initiate conversations with private property owners in the Town of Exeter who may be interested in preserving their land as open space;
7. To develop a Master Plan for parcels acquired as open space to include but not be limited to passive recreational use, and the keep the Conservation Commission and the Board of Selectmen fully advised as to the status and condition of open space parcels owned by the Town;
8. To provide an open space stewardship role for the Town, assisting in conservation land audits, inspecting open space land boundaries, and providing feedback as to conditions to the Conservation Commission and the Board of Selectmen;
9. To develop and recommend Capital Improvement Program (CIP) actions relating to the acquisition and protection of open space land;
10. To mobilize community groups and develop programs related to the ongoing maintenance of open space land, including stewardship efforts by the public, non-profit, and private sectors;
11. To conduct meetings, post notices and maintain minutes in accordance with Town of Exeter and RSA requirements and procedures

In July, we were awarded a \$3,000 Transaction Assistance Grant to assist us with transaction costs for permanent land protection for the 25-acre conservation easement on the Jones property. These grants are made possible by funds from the New Hampshire Estuaries Project (NHEP) and are intended to support projects that protect, in perpetuity, important natural resource areas and significant wildlife habitat in the coastal watershed.

Additional grant applications were subsequently submitted for the Field and White properties when we were notified that the NHEP Grant contract had been extended. Funding was depleted prior to their review of our applications.

The Town of Exeter Finance Department reported a balance of \$38,288.48 remaining from the original \$3 million dollar bond. This statement was issued in June 2007, and does not reflect the \$3,000 from the Transaction Assistance Grant.

## HERITAGE COMMISSION

The Exeter Heritage Commission was established at the February 2006 Town Meeting. The Commission has been meeting, weather or schedule permitting, the second Wednesday of each month since September 13, 2006 at 7:30PM in the Wheelwright Room of the Town Office.

**John Merkle**  
**Chairman**

The Commission's primary purpose is to provide recommendations and advice to the Board of Selectmen and other town boards and commissions relative to the Town of Exeter historical and cultural resources. With this in mind, the commission has begun investigating the process of conducting a town-wide survey. The purpose of this survey is to document the town's historical and cultural resources. This is a comprehensive effort that will take several years to complete. It includes not just physical structures within the town's historic districts, but also includes historical or cultural buildings, sites, places, roads, archeological sites, etc. throughout the entire Town of Exeter.

In addition to the ongoing town-wide survey, in 2007 the Commission has forwarded to the Planning Board for review a draft recommendation for a demolition delay ordinance. The Commission is also exploring the Certified Local Government Program. This program is a program that is designed to promote the preservation of pre-historic and historic sites, objects, buildings and districts by establishing a partnership between a local government and the New Hampshire Division of Historical Resources. The Commission also kept a watchful eye for potential grants that if secured would help with funding and completion of the town-wide survey, and other activities that would help the Town better understand its historical and cultural heritage.

Snow removal operation  
Portsmouth Avenue – Dec 2007

## WATER & SEWER ADVISORY COMMITTEE

The Town of Exeter's Water & Sewer Advisory Committee is a volunteer committee of town residents providing technical and financial input to the Board of Selectmen and the Department of Public Works (DPW) on facility and infrastructure capital projects, annual budgeting, and long term management approach. In 2007, we continued planning and implementation of upgrades to aged infrastructure and facilities in an effort to provide quality services to residents and businesses for the next 20-25 years.

**W. Robert Kelly**  
*Chairman*

Extensive water system and facility improvement construction projects at the Portsmouth Avenue treatment plant were implemented to extend the life and capabilities of that operation. The Committee assisted the DPW and the town's technical consultants in cost effectively allocating funds toward upgrading old equipment and piping and rehabilitating the filtering system. Plant operator Paul Roy and his staff were instrumental in assisting and directing these efforts.

A new water storage tank on Epping Road was initiated this year with completion planned for the summer of 2008. Along with associated distribution and pumping facilities improvements completed along Water Street, Main Street and Epping Road, this project will upgrade town fire flows, increase overall system pressures and reliability, and enhance the town's usable water storage capacity for emergency events.

Our new rate model implemented in 2006 performed as expected with better local budgeting control and a better financial planning tool allowing for better management of proposed projects and larger expense items. We were able to extend our planning horizon by over six months due to the better cash flow management capabilities of the new model. Revised rates for 2008 will also show less of an increase than originally forecast despite rising fuel, utility, and maintenance costs.

The Committee continued the groundwater search effort in an attempt to expand and diversify our current water sources with improvements to both water quality and quantity. Two phases of field work were conducted in an attempt to quantify and prioritize local sources near current infrastructure. Work at the end of the year will provide data towards conducting full scale development of a supplemental water supply source for the town in 2008.

On the sewer side of operations, the Committee provided input to DPW on construction of various small sewer system projects conducted during the year recommended in the 2001 Facilities Plan Update and Capital Improvement Plan (CIP) for the Department. We anticipate further upgrades to the wastewater treatment and transmission facilities in 2008 with our primary focus on removing groundwater infiltration that reduces our permitted capacity and adds treatment costs. Plant operators Scott Butler and Ernie Barham and their staff are instrumental in assisting and directing these efforts.

Our Fall budgeting process was again a collaborative effort between our Committee, DPW, Town Budget Recommendations Committee and the Departments of Finance and Planning in order to coordinate work and efforts in other areas of town. We continued to use the strategy of incorporating several infrastructure improvement projects and equipment upgrades into the budget while keeping overall expense increases relatively flat. This approach has been successfully used since 1999 and has lessened the rate impacts of planned capital improvements to both systems.

In September, the Committee welcomed Ms. Jennifer Perry, P.E., as the Town's new Public Works Director. Our on-going working relationship with Jennifer has shown she is a knowledgeable and professional individual. We thank her for her past and recent efforts on behalf of the Utility.

The Committee looks forward to 2008 as a continued interactive process with town departments and ratepayers to implement needed facility upgrades for a fair and reasonable cost. We wish to thank in particular town employees who continually assist us in serving the needs of the Town of Exeter: Russell Dean, Town Manager; Keith Noyes, former Director of Public Works; Victoria Del Greco, former Water & Sewer Superintendent; Steve Tucker, Utility Foreman, and Jay Perkins, Highway Superintendent. In addition, several Water and Sewer Department staff assisted in meeting preparations and provided valuable input to proposed improvements, making it a successful team effort.

With the resignations of two committee members this year, we are currently in need of at least one new member. Anyone with an interest or expertise in the planning, engineering, financial management, or operation of water and sewer infrastructure should call the Town Office (778-0591) to volunteer for our committee.

New Epping Road water tank – under construction  
Dec 2007

## EXETER RIVER STUDY COMMITTEE

The Board of Selectmen formed the Exeter River Study Committee to oversee all matters relating to the management of the Exeter River and its watershed and to advise the Board. The Committee membership consists of town citizens, members of town boards and departments involved with water issues, and representatives of local activities having a direct interest in the river.

<b>Lionel Ingram</b> <i>Chairman</i>
---

This past year, the major focus of the Committee's work was to review the Exeter River Study Report delivered in March 2007 by the Town's consultants, Wright-Pierce/Woodlot. The report and its executive summary are on the Town's website under publications. Among other things, the report identifies the weaknesses in the Great Dam and recommends several remedial actions. Public hearings on the report were held later in the spring. Following the April flood, the Town discovered scouring problems downstream of the Dam. Our consultants are currently studying how to handle these. If the voters approve the warrant in March, the Town will begin the engineering work leading to meeting the State's dam safety standards, reducing some of the effects of upstream flooding, and perhaps improving the quality of the water in the river.

The Town continues its cooperative program with the State focused on river matters that directly involve the Town. Two new State programs are:

1. In the fall of 2006, the State's Department of Environmental Services began a comprehensive watershed management study of the Exeter River watershed. In 2008, the State, as part of that program, will start a vulnerability analysis of three, maybe four, areas of the watershed. One area will be the Little River, in Exeter. A second area will be, if the voters approve the warrant in March, the Lower Exeter River. The other two areas, which are included in the study, are upstream from Exeter. The goals of the effort are to develop plans for the restoration of the river's natural buffer areas and to identify threats to the river by high erosion and development.
2. Due to the damage done during the recent three floods (October 2005, May 2006, April 2007), the State will begin in 2008 a study of the geomorphology of the Exeter River basin. This is part of a long-term plan to identify flood hazards, not necessarily related directly to the flood plain, and to guide the Town in its management of development along the Exeter River.

Other areas of interest to the Committee are:

- a. the continuing education of the Town's citizens of issues related to the river,
- b. a program for the Town to check the river periodically for hazards and conservation problems,
- c. the Town's All Hazards Mitigation Plan, specifically as it relates to flood insurance.

## ARTS COMMITTEE

*The Exeter Arts Committee's mission is to encourage, support and promote the arts in Exeter and surrounding towns. The Committee is appointed by the Board of Selectmen and is composed of nine citizen members (six of whom must be residents of Exeter) and one representative of the Board of Selectmen. With the exception of the Selectmen's representative, Committee members serve staggered three-year terms.*

**Dean Scott**  
**Chairman**

The Exeter Arts Committee continues to fulfill its mission while growing significantly as a community resource. The Committee takes its stewardship of the Town Hall Gallery seriously and includes performances by poets, musicians and authors with the exhibiting artists. The Committee promotes educational opportunities by sponsoring lectures, demonstrations and workshops in the gallery's workspace room. The Committee is also committed to building relationships with other art and community organizations.

As Town Hall Gallery stewards, the Committee has initiated or sponsored six events in 2007:

- In January, the Committee hosted the annual exhibition by the New Hampshire of Photographic Artists. This exhibit which displays both traditional and digital photography, showcases some of the finest photographic artists in New Hampshire.
- The third annual Youth Art Month was held in March. This popular exhibit spotlighted the artistic achievements of our community's youth. Young artists from Grades K through 12 have their own forum to display their creativity. The exhibit highlights the hard work of students, the dedication of teachers and the enthusiastic support of parents and school administrators.
- Our Spring show, "Blossoms" (April/May), was the second time we combined the talents of area potters, florists and painters in this unique format. Seven local florists coordinated their artistry with potters who provided the vases. The floral theme was continued by the works of over forty painters. Musicians also performed and a "Poetry Night" highlighted this well attended multimedia event.
- In July and August, the Committee sponsored an exhibit by the Seacoast Artists Association. It was the first exhibit resulting from our growing relationship with this fine organization.
- Our Fall show, "Fine Fiber Fest" (October/November), was one of the more innovative and successful shows that we have offered. The venue called for creations by artists who work with fiber. The result was an exciting array of contemporary artistic statements and sculptures along with traditionally crafted apparel, rugs and quilts. It was one of our highest attended exhibits and we hope to make it an annual event.
- December is the month of our Holiday Show which is held in conjunction with the Exeter Area Chamber of Commerce's annual Christmas Tree Festival at the Town Hall. All display spaces were filled as we presented our largest group of exhibitors in this popular event. The 2007 edition also included a gingerbread house display sponsored by the Chamber of Commerce that was exhibited in the Art Gallery.
- The Committee also works hard to maintain four additional non-gallery exhibits. There are art displays which exhibit the work of local artists in the Nowak Room and adjoining corridors of the Town Office. The work is rotated on a trimester schedule which insures that artwork always adorns the walls of the office building. The fourth event is our participation in the American Independence Festival with an outdoor display in July.

Our Committee of dedicated volunteers takes very seriously the Selectmen's charter to make the Town Hall Gallery a focal point for the arts in Exeter. In addition to our gallery exhibits, we are dedicated to building relationships with artists and community groups such as the New Hampshire Society of Photographic Artists, the American Independence Museum, the Seacoast Artists Association and the Chamber of Commerce.

We are also strongly committed to using our gallery workspace for educational purposes. Currently, we have had lecture/demonstrations by Caleb Stone and Nancy Nelson, Thursday night workshops by Doris Rice, Painting Club on Friday mornings and workshops by artist and Russian historian Marina Forbes.

Through the combined efforts of artists, volunteers and committee members, we have increased gallery attendance and visibility, continued our goal of community outreach and widened the breadth of the exhibits themselves. We keep the community informed of the Committee's activities through publicly posted agendas, a newsletter, newspaper publicity and our website, which can be accessed through the town's website ([town.exeter.nh.us](http://town.exeter.nh.us)).

## COUNCIL ON AGING

The Council on Aging provides services for the community's senior citizens. The Town provides modest financial support to the Council on Aging through the Parks and Recreation Department. These funds help defray postage costs and other small expenses.

**Alma Hall**  
**Chairman**

The only other sources of funds come to the Council through donations from local citizens grants.

The Council recognizes all the in-kind donations of its members and the community at large. We encourage, welcome and appreciate any suggestions for improving our activities and services.

The *Exeter Council on Aging Newsletter* is a monthly publication that includes information on matters of concern for the elderly of our community. This newsletter is currently looking for an editor so this service does not fall by the wayside.

Lionel Ingram is the Selectmen's representative to the Council. He keeps the Council aware of matters happening within the community, especially those that directly affect senior citizens.

One important service that the Town supported until late 2005 was the taxi discount program. The Town subsidized the cost of the tickets. These tickets were used to transport seniors to medical and dental appointments, rather than for social occasions. This program was suspended in November 2005 due to Exeter Taxi Service suspending its service. The Council is exploring linkage with Meals On Wheels and volunteer services regarding transportation of senior and this arrangement is still being developed.

Rehabilitation of the Water Treatment Plant clarifier by DPW staff  
Skip McEvoy, Dick Rowe & Ed Bugbee - May 2007

## TRUSTEES OF ROBINSON FUND

The Robinson Fund is an Exeter charitable trust whose citizens elect its seven members. The funds were given to the Town in 1853 by the Will of William Robinson, an Exeter native who attended Phillips Exeter Academy and for whose sister existed no similar educational facility in the area. The Will specified that the funds be for "the only and sole instruction of females ... all other things being equal, always to give preference to the poor and the orphan." In 1869 the newly-built Robinson Female Seminary opened its doors to females from the Exeter area.

<b>Harry Thayer</b> <i>Secretary</i>
---

From 1869 until 1955, Robinson Seminary was the only public school in Exeter to serve post-elementary females (males attended the Tuck High School). In 1954 the School District passed a bond issue to build an addition to the Tuck School. The first co-educational class graduated from Exeter High School in 1956. A fire in 1961 destroyed the Seminary building. The Lincoln Street Elementary School and related playgrounds now occupy the site.

Four of the current Robinson Fund Trustees attended the Seminary; three are graduates and the fourth is a graduate of the then new co-ed High School.

In the beginning, the Trustees managed both the school and the funds. But by the 1940's, the income from the Trust proved inadequate and the School District began assuming the deficit. In 1940 the Exeter School District formally assumed control of the Seminary. Only the trust funds remained under the direction of the Trustees.

In the early 1990's, to avoid discrimination on the basis of gender, the Trustees petitioned the County Probate Court. In 1996 the Court issued a new decree that discontinued the existing income distribution and established a new Trust purpose: "...to create a fund to provide opportunities to enrich and enhance the educational experience of post-elementary age individuals within the area served by the Exeter Region Cooperative School District, through the development of programs, scholarships and grants." Following this new decree Trustees awarded the first Robinson Fund Scholarships to graduating seniors of the Exeter Region Cooperative School District in June 1998.

In 2007, the Robinson Scholarship Fund awarded \$2,500 to John Atsalis (a new recipient), and approved the following re-applications: \$4,000 to Tisha Acorn, \$6,000 to Jessica Balukas, \$2,500 to Alison Maxwell, \$2,000 to Christina Gilbert, \$4,500 to Samuel Fellows, \$3,500 to Gillian Goldman, and \$1,000 to Timothy Rezendes (all previous recipients and currently attending college). All awards are for the 2007 year. All graduating seniors from Exeter High School are eligible for scholarship aid. Awards are based on an evaluation of an applicant's financial resources, motivation and academic merit and are for the normal four-year college program.

**Report of the Trustees of the Robinson Fund

## TRUSTEES OF SWASEY PARKWAY

It has been an exciting year for Swasey Parkway with the completion of the new pavilion. After three long years of raising funds for the pavilion, construction was finished this fall and a special dedication ceremony was held on November 29 during the annual downtown Holiday Open House. Students from the Cooperative Middle School's chorus sang holiday songs during the dedication that was attended by many. One hundred engraved granite pavers were installed by the new pavilion with the names of those who helped support the project. The Swasey Parkway Trustees would like to recognize the hard work by the members of the Friends of the Parkway Pavilion group that spent countless hours raising funds for the project and working with the architect on the designs. A big thanks goes to Grace Rogers, who chaired the Friends group, for her tireless efforts on the project. In addition, many thanks goes out to the Exeter Area General Federation of Women's Clubs and Mary Vahey-Gager from that club, for their efforts.

<b>Lara Bricker</b> Trustee
--------------------------------

The Trustees would also like to recognize the Exeter Board of Selectmen and town residents for their support of a warrant article for \$40,000 that helped complete work on the pavilion. It would not have been possible without help from many in the community and the pavilion is truly a place for all in the community to gather. This past year marked the second year that the town has helped support Swasey Parkway through a \$10,000 appropriation. With the help of those funds, the Trustees have been able to pay for some maintenance and pruning of trees and shrubs along the park that was not possible within their prior budget. Landscaper Dwane Staples and his crew spent time last fall cutting back a number of trees and shrubs on the parkway that had not been pruned in a number of years. There is still work to be done and the Trustees are looking forward to continued support from the town to keep up with the care of the parkway's greenery.

The Trustees would also like to recognize John Dodge for all of his volunteer work to reseed the grass area across from the pavilion, which he also fertilized.

Over the next year, the Trustees are hoping to spruce up the green storage building on the parkway. They are hoping to find a local student or artist that would like to paint a mural on the side of the building. The Trustees are receiving more permits than ever before from people and groups that would like to hold events or concerts on the parkway. In 2007, the parkway played host to the Exeter Parks & Recreation Department's Annual Summer Concert Series, a community sing along for children and a high school reunion. With the completion of the pavilion, they expect the public's use of the parkway will only continue to grow.

**Did you know**....."The new year had begun calmly enough, with the usual wintertime activities, tobogganing and sleigh rides highlighting the season. Then on March 12, 1888 a blizzard stunned the east coast. The Exeter News-Letter called it a 'calamity of no mean order', and the Exeter Gazette, while acknowledging that the snow made the town 'a beautiful spectacle', noted that the snow was piled into drifts six to eight feet high in many areas, with the sidewalks and roads almost impassable."

From: Exeter, New Hampshire 1888-1988 by Nancy Carnegie Merrill

## Town of Exeter Town Seal

The following was taken, as is, from a book dated 1930 at the Exeter Historical Society.

*Above is a print of Exeter's official town seal. Several years ago a town seal was needed to complete the requirements in legalizing an issue of Exeter bonds, and Mr. Albert N. Dow, a member of the bond committee, promptly designed and had made a stamping die of the seal as here shown. It was used on bonds and since then on a few other papers. During the present month, Mr. Ralph E. Meras, secretary of the Chamber of Commerce, with the approval of the selectmen, has had letter-press plates made of the seal to be used on town papers and the Chamber's stationery.*

*The fish on the seal is the alewife, typifying one of the town's most profitable resources. The alewife is allied to the herring and the shad, and the latter has no bones on the former. In Exeter's early days the alewife came up river in schools of countless numbers. It was caught in weirs and provided fertilizer for the cultivated lands of the new town, after furnishing all that could be utilized for home consumption. Salmon and bass were also plentiful in the Squamscott, but owing to the damming of Fresh River, these fish come up no longer, but the alewife still makes its annual appearance in great numbers.*

(We thank Peter Smith of the Exeter Historical Society for researching the origin of the Official Town Seal.)

**Part X SUPPLEMENTAL INFORMATION WORKSHEET**

**A. INTERGOVERNMENTAL EXPENDITURES**

Report payments made to the State or other local governments *on reimbursement or cost-sharing basis*. Do not include these expenditures in part VII

Purpose (a)	Account No. (b)	Amount paid to other local governments (c)
Payments made <u>to other local governments</u> for:		M12
Schools		M80
Sewers		M89
All other - County	4931	M89
All other - Towns	4199	
Payments made <u>to State</u> for:		L44
Highways	4319	L89
All other purposes	4199	

**B. DEBT OUTSTANDING, ISSUED, AND RETIRED**

Long-term debt purpose (a)	Bonds outstanding at the beginning of this fiscal year (b)	Bonds during this fiscal year		Outstanding at the end of this fiscal year	
		Issued (c)	Retired (d)	General obligations (e)	Revenue bonds (f)
Industrial revenue	19T	24T	34T		44T
All other debt	19X 7,752,178	29X 252,835	39X 1,307,140	41X 6,697,873	44X
Interest on water debt	19I				

**C. SALARIES AND WAGES**

Report here the total salaries and wages paid to all employees of your city before deductions for social security, retirement, etc. Include also salaries and wages paid to employees of any utility owned and operated by your government, as well as salaries and wages of city employees charged to construction projects. These amounts may be taken from the W3 form filed by your government for the year ended December 31

Total wages paid
200
7,157,365

**D. CASH AND INVESTMENTS HELD AT END OF FISCAL YEAR**

Report separately for each of the three types of funds listed below, the total amount of cash on hand and on deposit and investments in Federal Government, Federal agency, State and local government, and non-governmental securities. Report all investments at par value. Exclude accounts receivable, value of real property, and all non-security assets

Type of fund (a)	Amount at end of fiscal year Omit Cents (b)
Bond funds - Unexpended proceeds from sale of bond issues held pending disbursement	W31
All other funds except employee retirement funds and nonexpendable trust funds	W61 14,070,461

Remarks

**Part XI** CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Signatures of a majority of the governing body:

William E Campbell

Justin D Coleman  
Kunipetu

**GENERAL INSTRUCTIONS**

Three copies of this report are sent to each municipality. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When completed, one copy should be returned to the Department of Revenue Administration and one copy should be placed in your municipal records. The third copy is for use in preparing the annual printed report for the voters.

Please be sure you have completed Part X, items A-D.

**WHEN TO FILE:** (R.S.A. 21-J:34,V)

- For cities/towns reporting on a calendar year basis, this report must be filed on or before April 1
- For cities/towns reporting on an optional fiscal year basis (year ending June 30), this report must be filed on or before September 1.

**WHERE TO FILE**

Department of Revenue Administration  
State of New Hampshire  
Community Services Division  
PO Box 487  
Concord, NH 03302-0487

## ASSESSOR

This past year the Assessing Office has been busy with all aspects of assessing functions. Elderly Exemptions, Veteran's Credits, Current Use, and Timber Tax, along with monthly deed transfers, plot plans, new subdivisions, and sales data has made for another interesting year.

**John DeVittori, CNHA**  
**Assessor**

This past year the State Dept. of Revenue conducted a cyclical Assessment Review process, auditing all the functions and standards of the Assessing Office. The audit had a positive and very successful outcome for Exeter.

The 2007 computerized reassessment was successfully completed with land values slightly declining in the marketplace. This yearly computerized value update will bring confidence to property owners that they are paying their fair share of the tax burden, and that there is parity within Exeter's tax structure. Computerized updating and cyclical field review of properties has resulted in a stable relationship between real estate sales and tax assessment values. By updating the values yearly, this process saves the Town hundreds of thousands of dollars by not conducting a major revaluation. Exeter's equalization ratio for 2006 was 97%.

Exeter's tax base declined slightly in 2007, while new growth added approximately \$27 million to the tax base. Adjusting the assessed values to market sales on all types of property reduced the tax base by \$15 million. The net valuation of which the tax rate is calculated for 2007 was \$1,654,978,182.

Presently, the Assessing Office through the town's web site has a listing of all assessment values, property record cards, current tax maps, and general taxpayer information ([town.exeter.nh.us](http://town.exeter.nh.us)). The majority of data at the Assessor's Office can be viewed on the internet through Vision Appraisal and Maps On Line. The Assessing Office annually updates the Town tax maps to reflect accurate property lines, subdivisions, ownership, and current assessment values. Also available in the office is a counter terminal giving the public easy access to all assessment record information.

The 2007 Town Meeting approved increased elderly exemption standards to give additional relief to those who meet the qualifications. Information on Veteran's Credit, Elderly Exemption, Current Use, and Intent to Cut Timber are available with applications and procedures at the office.

As another year passes I would like to thank my fellow office employees and property owners for their support and understanding in running a successful assessment program. I am looking forward to an active and productive year in 2008.

CITY/TOWN OF Exeter IN Rockingham COUNTY

CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief. Rev 1707.03(d)(7)

Table with 2 columns: PRINT NAMES OF CITY/TOWN OFFICIALS and SIGNATURES OF CITY/TOWN OFFICIALS (Sign in ink). Rows include Robert Eastman, Joseph Pace, William Campbell, Lionel Ingram, and Julie D. Gilman. Includes checkboxes for Governing Body and Assessors, and a Due Date of September 1, 2007.

Complete the above required certification by inserting the name of the city/town officials, the date on which the certificate is signed, and have the majority of the members of the board of selectmen/assessing officials sign in ink.

REPORTS REQUIRED: RSA 21-J:34, as amended, provides for certification of valuations, appropriations, estimated revenues and such other information as the Department of Revenue Administration may require upon forms prescribed for that purpose.

NOTE: The values and figures provided represent the detailed values that are used in the city/town tax assessments and sworn to uphold under oath per RSA 75:7. Please complete all applicable pages and refer to the instructions (pages 10 through 15) provided for individual items.

THIS FORM MUST BE RECEIVED BY THE DRA NO LATER THAN SEPTEMBER 1st.

Village Districts - pages 8-9 must be completed for EACH village district within the municipality.

RETURN THIS SIGNED AND COMPLETED INVENTORY FORM TO: NH Department of Revenue Administration, Municipal Services Division, PO Box 487, Concord, NH 03302-0487.

Contact Person: John DeVittoni (Print/type) E-Mail Address: jdevittoni@exetemh.org

Regular office hours: Monday - Friday 8:00-4:30

*Did you know....."the first fund raising event to establish a cottage hospital in Exeter was a lawn party at the adjacent residences of Mrs. A.T. Frye (daughter of Amos Tuck) and Mrs. Walter E. Colton at 89 and 91 Front Street. The garden party, described as 'the initial event of its kind in Exeter', brought \$500.68 to the treasurer, Mrs. Edward J. Cram, with profits of about \$350. The event, held on July 15 & 16, 1892, attracted people from Exeter & the surrounding area. Supper was served in a large tent and at dusk the Exeter Cornet Band, donating its services, presented delightful concerts until 9:00PM, when several of its members played for dancing.*

*Did you know....."the 1891 Town Meeting voted to remove the railroad bridge at Park Street crossing, but it was replaced a few years later. The bridge provided a way for fire trucks to reach the west end of town if a fire in that area and a train passing through occurred at the same time."*

*From: Exeter, New Hampshire 1888-1988 by Nancy Carnegie Merrill*

## Fine Arts

Description	Location	Covered Amount
Crossing the Brook painting	Historial Society	\$200,000

## Benefit Information for Full-time Employees

Health Insurance:	\$1,926,320
Dental Insurance:	\$ 113,187
Life Insurance:	\$ 9,636
Retirement:	
Town Employees:	\$ 154,879
Police:	\$ 137,533
Fire:	\$ 241,580
Library:	\$ 19,259
<b>TOTAL:</b>	<b>\$2,602,394</b>

### Town Benefit Contributions

Bargaining Unit	Health ins. <i>until 6/30/08</i>	Health ins. <i>after</i> <i>7/1/08</i>	Dental	Life
Firefighters Assoc.	90%	88%	100%	100%
Police Association	100%	undetermined	100%	100%
SEIU Local 1984	95%	90%	100%	100%

Four health plans are offered: Anthem JY, JW, Anthem BlueChoice, and Matthew Thornton. At this time, the Town pays 90% of the premium for Anthem JW through LGC HealthTrust. Single, 2-person and family plans are offered for health and dental insurance. All plans begin the 1<sup>st</sup> of the month following 30 days of employment. The Town provides dental coverage through NE Delta Dental. Basic life insurance coverage of \$25,000 is given to full-time employees effective on the 1<sup>st</sup> of the month following 30 days of employment. Salaried employees received coverage equal to their salary and not to exceed \$50,000.

### Sick Leave Accrual

Bargaining Unit	Days earned per month	Days earned per year	Maximum Days Accumulation
Firefighters Assoc.	1	12	120
Police Association	1.5	18	105
SEIU Local 1984	1.25	15	120

Unused sick leave will be paid, upon retirement, at one half the employee's regular rate of pay for employees who have completed 25 years of service (20 years for Police and Fire).

**Personal Leave:** All full time employees receive 3 days per year (pro rated the first year depending on date of hire).

### Vacation Leave Accrual

Bargaining Unit	After 1 year	After 2 years	After 5 years
Firefighters Assoc.	48 hrs	96 hrs	144 hrs
Police Association	5 days	10 days	15 days
SEIU Local 1984	5 days	10 days	15 days

**NH Retirement:** All new employees join NHRS Group I, with the Town contributing 8.74%; Police and Fire personnel join Group II with contributions of 11.84% for Police and 15.92% for Fire.

**Deferred Compensation (Plan 457):** Those employed with the Town before 11/1/02 may choose the NHRS plan, however all new hires after that date must participate in the NHRS. The Town also offers 457 Plans through ING and PFPOPE without Town contributions.

**EXETER TOWN WARRANT – 2008**

To the inhabitants of the Town of Exeter, in the County of Rockingham, in said State, qualified to vote on Town affairs. You are hereby notified to meet at the Town Hall, Front Street in said Exeter on Saturday, February 2, 2008 at 9:00 AM for the purpose of transacting all business other than voting by official ballot and, thereafter, to meet on Tuesday, March 11, 2008, between 7:00 AM and 8:00 PM at the Exeter Town Hall, on Front Street in said Exeter, to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

**Article 1:** To choose the following: 2 Selectmen for a 3-year term; 3 Trustees of the Library for a 3-year term; 1 Trustee of Trust Funds for a 3-year term; 1 Trustee of the Robinson Fund for a 7-year term; 1 Trustee of Swasey Parkway for a 3-year term; 1 Town Treasurer for a 3-year term; 1 Town Clerk for a 3-year term; 1 Supervisor of the Checklist for a 3-year term.

**Article 2:** Zoning Amendment #1: Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 2, Definitions; Article 4, District Regulations; Article 5, General Regulations; and Article 6, Supplementary Use Regulations by creating a comprehensive revision of these articles and replacing existing language of said articles with those revisions and additions as proposed, in their entirety. The proposed revisions are intended to update the language and uses within the ordinance to “present day” terminology and create compatible uses, to maintain continuity, and to provide some “user-friendly” formatting. (See full text)

**Article 3:** Zoning Amendment #2: Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 2, Definitions by adding a new definition, “Residential Conversions”, as follows: “*The conversion of existing residential buildings (principal residential structures as well as accessory structures) into not more than four (4) dwelling units. See Article 4.2 Schedule I, Notes.*”

Amend Article 4, Section 4.2 Schedule 1: Permitted Uses by adding *residential conversions* to those uses allowed by “Special Exceptions” in the RU, R-1, R-2, R-3, C-1, C-2 and NP districts.

Amend Article 4.2 Schedule I Notes outlining additional criteria associated with such conversions, as follows:

“1. *In addition to the criteria set forth in Article 5, Section 5.2 Special Exception, the following criteria must also be met:*

*Conversions – The conversion of existing residential buildings (principal residential structure as well as accessory structures) into not more than four (4) dwelling units provided that;*

- (a) *The number of spaces for off-street parking shall comply with Article 5.6 Off-Street Parking;*
- (b) *The minimum lot size required shall be such that each dwelling unit is provided with thirty percent (30%) of the minimum lot size required for the district;*
- (c) *The structure has been a residence for a minimum of ten (10) years;*
- (d) *The lot must meet a minimum of twenty percent (20%) open space unless otherwise stated in Articles 4.3 and 4.4 Schedules II and III.*
- (e) *For conversions intended to become rental units, one of the dwelling units shall remain owner-occupied.*
- (f) *The Board of Adjustment may require the Planning Board to review the proposed site plan. All conversions consisting of three or more units must be reviewed by the Planning Board.*
- (g) *The Board of Adjustment may allow expansion to an existing structure for the purpose of providing additional area for the units provided all other requirements are met. Any expansion greater than 400 square foot (in footprint) shall require Planning Board review of the proposed site plan."*
- (h) *Prior to any renovations or building, the owner shall provide evidence to the Town Building Inspector that septic facilities are adequate for both units according to the standards of the Town and the New Hampshire Department of Environmental Services (Water Division). If deemed necessary by the Building Inspector, such evidence shall be in the form of certification by a State of New Hampshire licensed septic systems designer. Also the owner shall provide evidence that there is adequate potable water according to the standards of the State of New Hampshire."*

**Article 4:** Zoning Amendment #3: Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 3, Section 3.2 Zoning Map by extending the C-3, Epping Road Highway Commercial zoning district within Tax Map Parcel #47-8 and #47-9, following Watson Brook to the east as depicted on the map (see attached map).

**Article 5:** Zoning Amendment #4: Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 3, Section 3.2 Zoning Map by rezoning Tax Map #32-2, #32-3, and #32-4 from R-1, Single Family Residential to NP-Neighborhood Professional zoning district, as depicted on map (see attached map).

**Article 6:** Zoning Amendment #5: Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 6, Section 6.12 by adding a new subsection, to read as follows:

6.12.2 *No dock, wharf, float, pier, waterfront walkway or any related waterborne structure shall be permitted within 400 feet of the String Bridge downstream abutments.*” (As depicted on the attached map.)

**Article 7:** Zoning Amendment #6: Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 6, Section 6.7 Retail Uses by adding a new subsection limiting the floor area of retail services, as accessory uses, in the NP, CT, CT-1 and PP zoning districts. New subsection to read as follows:

*“6.7.3 Retail services allowed as accessory uses in the NP, CT, CT-1 and PP districts are limited to the following floor areas shown below to a maximum of 1000 sq. ft. per lot.:*

- A. NP: 10% of the gross floor area of the principal building,*
- B. CT and CT-1: 20% of the gross floor area of the principal building,*
- C. PP: 15% of the gross floor area of the principal building.*

*Proposed retail areas shall be physically linked to the principal use. Specifically, in cases where there are existing structures, the retail area shall be located in an existing building. For new proposals, the retail area shall be located in the same structure as the principal use.*

*Drive-thru facilities are not allowed as part of this provision.”*

Amend Article 4.2 Schedule I: Permitted Uses by adding “*Retail Services*” as a permitted Accessory Use in the NP, CT, CT-1 and PP zoning districts as described above including references.

**Article 8:** Zoning Amendment #7: Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article 7, Section 7.7 General Regulations Governing Open Space Development, 7.7.1 Density, and subsection 7.7.1 A Bonus by incorporating language making an allowance for ‘affordable housing rentals’ (See full text).

**Article 9:** To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

**Article 10:** Shall the Town raise and appropriate the sum of \$1,130,000 for the purpose of design and reconstruction of the String Bridge, and to authorize the issuance of not more than \$1,130,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Board of Selectmen or Town Manager to accept any state or federal grants related to the project. This project will be eligible for 80% reimbursement from the State of New Hampshire. The Board of Selectmen recommends this appropriation (3/5 ballot vote required for passage).

**Article 11:** Shall the Town raise and appropriate the sum of \$377,000 for the purpose of design and engineering work for improvements to the Great Dam, and to authorize the issuance of not more than \$377,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Board of Selectmen or Town Manager to accept any state or federal grants related to the project. The Board of Selectmen recommends this appropriation (3/5 ballot vote required for passage).

**Article 12:** Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$19,253,258. Should this article be defeated, the default budget shall be \$18,286,759, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The Board of Selectmen recommends this appropriation.

**Article 13:** Shall the Town raise and appropriate, through special warrant article, the sum of \$85,500 for the purpose of renovating the communications and dispatch center at the Public Safety Building. The Board of Selectmen recommends this appropriation.

**Article 14:** Shall the Town raise and appropriate the sum of \$81,000 to be placed in the vehicle replacement capital reserve fund established by Article 14 of the 2007 Town Meeting, for the following purposes:

Item	Amount
1. Replace 1984 Forestry Truck - Fire Dept. 2008	\$25,000
2. Refurbish Engine #4 – Fire Dept. 2008	\$56,000

The above amounts represent 50% of the total project budget. The initial 50% was approved in 2007. The Board of Selectmen recommends this appropriation. (Majority vote required).

**Article 15:** Shall the Town raise and appropriate, through special warrant article, the sum of \$58,700 for the purpose of replacing failed windows at the Exeter Public Library. The Board of Selectmen recommends this appropriation.

**Article 16:** Shall the Town raise and appropriate \$50,000 to the Arterial Shoulder Capital Reserve Fund established under Article 25 of the 2006 Town Meeting, for the purpose of creating bike paths, improving and widening road shoulders and linking sidewalks with bike paths. The Board of Selectmen recommends this appropriation.

**Article 17:** Shall the Town raise and appropriate the sum of \$50,000, to be added to the previously established Town Retirement Sick Leave Expendable Trust Fund. The Board of Selectmen recommends this appropriation.

**Article 18:** Shall the Town establish a capital reserve fund under RSA 35:1-c for the purpose of property appraisals and fees and to raise and appropriate the amount of fifty-thousand dollars (\$50,000) to be placed in this fund. The Board of Selectmen will be agents of the fund and may spend from the fund for the following purposes: 1) property appraisals; and 2) ancillary fees. The Board of Selectmen recommends this appropriation.

**Article 19:** Shall the Town raise and appropriate the sum of two-hundred forty nine thousand three hundred thirty three dollars (\$249,333) to be added to the Capital Reserve Fund established by Article 18 of the 2008 Town Warrant to purchase land for public safety purposes? This sum will come from fund balance (surplus) and no amount to be raised from taxation. The Board of Selectmen recommends this appropriation.

**Article 20:** Shall the Town raise and appropriate, through special warrant article, the sum of \$40,000, for the purpose of replacing Command Car C3 in the Exeter Fire Department. The Board of Selectmen recommends this appropriation.

**Article 21:** Shall the Town raise and appropriate, through special warrant article, the sum of \$35,000 for the purpose of purchase and installation of a fire sprinkler system at the Parks & Recreation Building on Court Street. This appropriation will allow the Town to meet NFPA codes and correct deficiencies identified in the Town's Safety Inspection Program. The Board of Selectmen recommends this appropriation.

**Article 22:** Shall the Town raise and appropriate, through special warrant article, the sum of \$30,000, for the purpose of conducting a system evaluation study on the Town's storm water system. The Board of Selectmen recommends this appropriation.

**Article 23:** Shall the Town raise and appropriate, through special warrant article, the sum of \$30,000 to be used to install a master box and fire detection system in the Raynes Barn with connection to the Exeter Fire Department, and to provide money for the continued restoration of the barn including the east and west sills and the barn doors. The Board of Selectmen recommends this appropriation.

**Article 24:** Shall the Town raise and appropriate, through special warrant article, the sum of \$30,000 for the purpose of funding the New Hampshire Department of Environmental Services' Watershed Management Plan for the Lower Exeter River. This plan already includes the Little River in Exeter and two other areas of the Exeter River watershed. The Board of Selectmen recommends this appropriation.

**Article 25:** Shall the Town raise and appropriate, through special warrant article, the sum of \$19,944 for support of the Rockingham County Visiting Nurses Association and

Hospice, an agency that provides at home nursing and hospice care to Exeter residents. The Board of Selectmen recommends this appropriation.

**Article 26:** Shall the Town raise and appropriate, through special warrant article, the sum of \$10,500, for support of the Seacoast Regional Mental Health Center, an agency that provides mental health services to residents of Exeter. The Board of Selectmen recommends this appropriation.

**Article 27:** Shall the Town raise and appropriate, through special warrant article, the sum of \$4,000 for the support of the New Outlook Teen Center, an agency providing recreational, educational and prevention programming for youths ages 11-18 and families in greater Exeter. The Board of Selectmen recommends this appropriation.

**Article 28:** Shall the Town raise and appropriate, through special warrant article, the sum of \$3,200, for support of the Retired Senior Volunteer Program (RSVP), an agency that provides community services at no charge to the elderly of Exeter. The Board of Selectmen recommends this appropriation.

**Article 29:** Shall the Town raise and appropriate, through special warrant article, the sum of \$2,495, for support of Great Bay Kids Company, an agency that provides daycare for Exeter children. The Board of Selectmen recommends this appropriation.

**Article 30:** Shall the Town raise and appropriate, through special warrant article, the sum of \$2,000, for support of Families First, an agency that provides health care and family services to Exeter residents. The Board of Selectmen recommends this appropriation.

**Article 31:** Shall the Town raise and appropriate, through special warrant article, the sum of \$2,000 for support of the New Generation Shelter, an agency that provides counseling, parenting education, life skills, and aftercare to Exeter residents. The Board of Selectmen recommends this appropriation.

**Article 32:** Shall the Town raise and appropriate, through special warrant article, the sum of \$800, for support of the Seacoast Chapter of the American Red Cross, an agency that provides emergency service and care to Exeter residents. The Board of Selectmen recommends this appropriation.

**Article 33:** Shall the Town discontinue the Portsmouth Avenue Road Reconstruction Capital Reserve Fund created by Article #33 of the 1994 Town Warrant? Said funds, with accumulated interest to date of withdrawal, are to be transferred to the general fund. The Board of Selectmen recommends this article.

**Article 34:** Shall the Town raise and appropriate the sum of one dollar (\$1.00), for the purchase of Gilman Park, so it may continue to be used for the enjoyment of the public, subject to an easement to be held by The Southeast Land Trust of New Hampshire. The Board of Selectmen recommends this appropriation.

**Article 35:** Shall the Town establish an ambulance service revolving fund in accordance with RSA 31-95-h for the purpose of providing ambulance services within the Town. All revenues received for such services shall be deposited into the fund, and the money shall accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the Town Manager or governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

**Article 36:** Shall the Town collect an additional motor vehicle registration fee of \$2.50 per vehicle for the purpose of supporting, wholly or in part, public transportation with emphasis on the needs of the elderly in the Town of Exeter as authorized by RSA 261:153 s. VI. Proceeds of said fee will be deposited into the Town's Municipal Transportation Improvement Fund, with the Board of Selectmen appointed as agents to expend from this capital reserve fund for the purposes for which it was established. The Board of Selectmen recommends this article.

**Article 37:** On the petition of Rosemonde Roy and others, "To see if the Town will authorize the Exeter Parks and Recreation Department to develop a Dog Park in the Town of Exeter. Existing town-owned property should be considered first".

**Article 38:** By petition, "Shall the Town authorize the Board of Selectmen to investigate the advisability of adopting the New Hampshire renewable energy property tax exemptions, RSA 72:61-72?"

**Article 39:** On the petition of Francine Berman and others "To see if the Town will vote to raise and appropriate, through special warrant article, the sum of \$1,000 for support of the Seacoast Interfaith Hospitality Network, an agency that provides shelter, foods, and case management to local families that have become homeless." The Board of Selectmen recommends this appropriation.

**Article 40:** On the petition of George St. Amour and others, "To see if the voters of Exeter, NH will vote to require "Receiving Towns" when enlisting the aid of the Exeter Fire Department to pay the cost of Exeter's emergency response team. (Said response being referred to as Mutual Aid.)"

**Article 41:** By petition, "Shall the Town authorize the Board of Selectmen to negotiate a lease for at least 35 years with the Exeter Sportsmens Club, Inc. on that portion of Town owned land now occupied and the current access there to?"

**Article 42:** On the petition of Alan C. Bailey and others, "Shall the Town of Exeter vote to raise and appropriate the sum of \$72,500.00 in order to retain a recognized reputable, Forensic Auditing firm, to without delay, commence a Forensic Town Audit, for the fiscal years 2004 thru 2007 inclusive." The majority of the Board of Selectmen does not recommend this appropriation.

**Article 43:** By petition, "Shall the voters modify the elderly exemptions from property tax in the Town of Exeter, based on assessment for qualified taxpayers, to be as follows: for a person 65 years of age and up to age 75 years, \$152,251; for a person, 75 years of age up to 80 years \$183,751; for a person 80 years of age and over \$236,251 To qualify the person must have been a resident of New Hampshire for at least three (3) consecutive years, own the real estate individually or if owned by such person's spouse. they must have been married to each other for at least five (5) consecutive years. In addition the taxpayer must have a net income of not more than \$40,426; or if married, a combined net income of not more than \$51,976; and own net assets not in excess of \$194,251; excluding the value of the persons residence. The combined net asset amount for married persons shall apply to a surviving spouse until the sale or transfer of the property by the surviving spouse or until the remarriage of the surviving spouse."

**Article 44:** On the petition of Ann H. Warren and others, "To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor: Resolved: We the citizens of Exeter, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes."

Given under our hands and seal this 11<sup>th</sup> day of February, 2008.

# DEFAULT BUDGET OF THE TOWN

OF: Exeter, New Hampshire

For the Ensuing Year January 1, 2008 to December 31, 2008

or Fiscal Year From January 1, 2008 to December 31, 2008

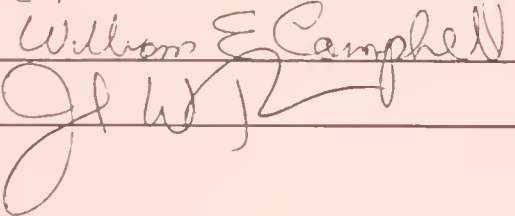

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

# EXETER SCHOOL DISTRICT

Warrant  
Budget

FY 2008 - 2009

**EXETER SCHOOL DISTRICT WARRANT  
2008 ANNUAL MEETING**

To the inhabitants of the School District of the Town of Exeter, County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet as follows:

**FIRST SESSION:** at the Lincoln Street School Library, Lincoln Street in said Exeter on Tuesday, February 5, 2008, at 7:00 pm for explanation, discussion, debate and possible amendment of the following warrant articles.

1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein totaling \$13,505,016? Should this article be defeated, the operating budget shall be \$13,416,294 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$13,505,016 as set forth on said budget.)

2. Shall the District authorize the School Board to spend \$373,673 from the fund established by the voters in 1997 to offset the 2008-2009 Exeter Taxpayers share of the Exeter Region Cooperative School District's bond payment (principal and interest) for the new middle level cooperative school building? (The School Board recommends the approval of this article.)

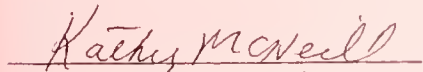

3. To hear reports of agents, auditors, and committees or officers heretofore chosen.

4. To transact any other business which may legally come before the meeting.

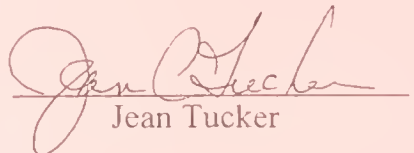

**SECOND SESSION:** At the Exeter Town Hall in said Exeter on Tuesday, March 11, 2008, to choose the following School District Officer(s): one (1) school board member for a three (3) year term, and vote on the articles listed as 1 and 2 as those articles may be amended at the First Session; by ballot, the polls to open at seven of the clock in the forenoon, and to close no earlier than eight of the clock in the evening.

Given under our hands at said Exeter on this 17<sup>th</sup> day of January, 2008.

EXETER SCHOOL DISTRICT SCHOOL BOARD:

  
Kathy McNeill

  
Kate Miller

  
Jean Tucker

# EXETER REGION COOPERATIVE SCHOOL DISTRICT

Warrant  
Budget

FY 2008 - 2009

**2008 ANNUAL DISTRICT MEETING WARRANT**  
**As revised by the First Session**

**EXETER REGION COOPERATIVE SCHOOL DISTRICT**

To the inhabitants of the Exeter Region Cooperative School District, County of Rockingham, State of New Hampshire qualified to vote upon District affairs:

You are hereby notified to meet as follows:

**FIRST SESSION OF ANNUAL MEETING (Deliberative):** In the Talbot Gymnasium at the Tuck Learning Campus, 30 Linden Street in Exeter, New Hampshire on **Thursday, February 7, 2008, at 7:00 PM** for explanation, discussion, debate, and possible amendment of the following warrant articles:

1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$48,150,360? Should this article be defeated, the operating budget shall be \$47,817,297, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$48,150,360 as set forth on said budget.)
2. Shall the District raise and appropriate to the expendable trust fund known as the "Maintenance Fund" (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds) the sum of the amount of the June 30, 2008 undesignated fund balance (surplus) up to \$40,000? (The School Board and Budget Advisory Committee both recommend this appropriation.)

*(The source of funding for this \$40,000 will be the State Building Aid payment received as a result of the cost of renovations to a portion of the Tuck Learning Campus, formerly Exeter High School, for the relocation of the SAU 16 offices. This will be the second of five years of State Building Aid payments to replenish monies of the Maintenance Trust Fund used for the renovation.)*

3. Shall the District increase the limit for the accumulated balance (including interest) of the "Special Education Trust Fund" to \$500,000? (The School Board and Budget Advisory Committee both recommend adoption of this article.)
4. Shall the District raise and appropriate to the expendable trust fund known as the "Special Education Trust Fund" (established by the 2002 District meeting under RSA 198:20-c for the purpose of funding unanticipated special education expenses) the sum of the amount of the June 30, 2008 undesignated fund balance (surplus), after giving effect to any appropriation under Article 2, above, up to \$100,000? (The School Board recommends this appropriation.)

5. On the petition of David Pendell and others:

Shall the District vote in favor of a non-binding resolution to encourage the Exeter Region Cooperative School Board to NOT expend \$75,000 out of the 2007-2008 budget surplus or trust fund for the purpose of renovations at the new Exeter High School?

6. On the petition of certain citizens:

Shall the Exeter Region Cooperative School District vote to raise and appropriate the sum of \$10,000 in order to enhance the annual independent audit through compliance with Statement on Auditing Standards No. 112 and GASB Statement No. 34 for fiscal year 2009?

7. To hear reports of agents, auditors, and committees or officers heretofore chosen.

8. To transact any other business which may legally come before the meeting.

**SECOND SESSION:** At the polling places designated below on Tuesday, **March 11, 2008**, to choose the following School District Officers:

School District Board Member (East Kingston)	3-year Term Expiring 2011,
School District Board Member (Exeter)	3-year Term Expiring 2011,
School District Board Member (Stratham)	3-year Term Expiring 2011,
School District Moderator	1-year Term Expiring 2009,
Budget Committee Member (East Kingston)	1-year Term Expiring 2009,
Budget Committee Member (Exeter)	1-year Term Expiring 2009,
Budget Committee Member (Stratham)	1-year Term Expiring 2009,
Budget Committee Member (Exeter)	2-year Term Expiring 2010,
Budget Committee Member (Newfields)	2-year Term Expiring 2010,
Budget Committee Member (Stratham)	2-year Term Expiring 2010,
Budget Committee Member (Brentwood)	3-year Term Expiring 2011,
Budget Committee Member (Exeter)	3-year Term Expiring 2011,
Budget Committee Member (Kensington)	3-year Term Expiring 2011;

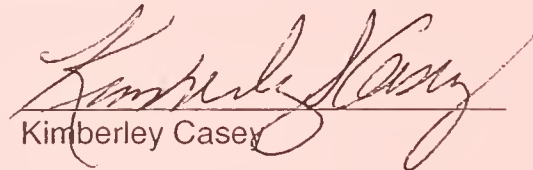

and vote on the articles listed as **1, 2, 3, 4, 5 and 6** as those articles may be amended at the First Session; by ballot, the polls to be open at the polling places at the hours designated below:

<u>VOTERS IN TOWN OF</u>	<u>POLLING PLACE</u>	<u>POLLING HOURS</u>
Brentwood	Brentwood Community Center	8:00 AM to 7:00 PM
East Kingston	East Kingston Elementary School Multi-purpose Room	8:00 AM to 7:00 PM

# EXETER REGION COOPERATIVE SCHOOL DISTRICT BUDGET ADVISORY COMMITTEE

## *Annual Report 2008*

As part of the 2007 Annual Meeting, voters approved the creation of an advisory budget committee to work with the SAU and the Cooperative School Board to develop and review the operating budget for the district. Committee members were appointed by the moderator for this first year and we held approximately 10 meetings between August and January. The members were thoroughly oriented to the budget process and to the many facets of the Cooperative Middle and Exeter High Schools and the other educational opportunities funded and supported by the district. We not only examined the proposed operating budget line-by-line, but toured the facilities, met with all administrators and compared our spending to similar schools and districts throughout the state. The committee worked well together toward common fiscal management goals in a climate that was thoughtful, respectful and productive.

The budget committee worked diligently to develop a fair budget for FY2008-2009 that balances the quality of education that this district is accustomed to having with a palatable budget increase to cover contractual obligations and requests. The committee would like to thank SAU16 Chief Financial Officer Nathan Lunney and his staff for all of their hard work and assistance. The committee's work would not have been possible without their help and responsiveness to our questions and requests. The committee presented our recommended budget to the School Board in early January and it was unanimously accepted and approved. The proposed operating budget of \$48,150,360, is a 3.69% increase over the current year and is the lowest percentage increase in the cooperative budget in the last 5 years.

During the course of our budget deliberations we developed several recommendations for the district to examine and study. These recommendations include data comparisons to justify expenses and the need for certain positions within the district as well as defining the fully burdened cost per student at each of the district's facilities. This involves outlining the costs associated with continuing to operate programs at the Tuck Learning Campus to ensure that tenants and users are paying their fair share and expenses are not being subsidized by the district taxpayers. The committee also recommended that the School Board work towards increasing public knowledge and input when it comes to the spending of the budget surplus on projects and initiatives that were not included as part of the proposed operating budget. This recommendation is combined with a request to develop both a short-term and long-term capital improvement plan that would ensure all projects were thought out, prioritized and allowed to go through a budget process review.

The members of the committee are eager to stand for election this year in order to continue to serve the district in this important role. We plan to continue meeting year-round to work with members of the school board and the SAU on the recommendations that have been made and start developing the FY2009-2010 operating budget as early as possible.

## REPORT FROM SAU 16 ADMINISTRATION FOR SCHOOL YEAR 2007-2008

*The SAU 16 School Districts are committed to working together to develop common standards and values that will result in graduates who are caring, productive and contributing members of society*

In August of 2007, the schools opened their doors with the following enrollments: Swasey Central School in Brentwood – 411; East Kingston Elementary School – 193; Exeter Elementary (Main Street School and Lincoln Street School) – 1023; Kensington Elementary School – 215; Newfields Elementary School – 162; Stratham Memorial School – 611; Cooperative Middle School – 1,368; the Seacoast School of Technology – 630, Exeter High School - 1,668 and Great Bay eLearning Charter School –100.

### **Administration**

Dr. Arthur Hanson is retiring at the conclusion of this school year, having served as superintendent of SAU 16 for eleven years. The SAU 16 Board has conducted a nation-wide search and anticipates having a successor named for Dr. Hanson by mid-February 2008. Additionally, Main Street School Principal Paul Ford will be retiring in June 2008 after 21 years of outstanding service to the Exeter School District. The Exeter School Board will be faced with the challenge of finding a successor to Principal Ford within the next couple of months.

### **Curriculum and Assessment**

#### Curriculum

In October of 2007, we received approval of our Master Plan for Professional Development by the State for the next five years. This plan details our recertification process, professional development model, supervision and evaluation process and also outlines the curriculum review and assessment processes.

At the high school level, staff members are involved in identifying competencies for every course in compliance with a 2009 deadline as part of the school approval process. The area of focus of each of the SAU wide curriculum committees is described below.

#### Art

Revision of the SAU 16 Art Curriculum is scheduled for this year. Technology, as it integrates art with other subjects, will be one of the focal points of this revision and alignment to state and national standards. Opportunities to integrate art with other curriculum areas will be addressed. How to address copyright, fair use and other related policies that have unique applications to art instruction and student products are also being discussed.

#### Literacy

The work of the "NH Pre-K-12 Literacy Task Force" serves as the focus of discussions this year. The SAU 16 Website has been updated with the most current practices - NH Literacy Action Plan for 21st Century Literacy, links, and documents from the work of the SAU 16 Literacy Committee. Emphasis is placed on the consistent application of the writing rubric and continued professional development is provided to increase all teachers' capacity as literacy instructors.

### Mentoring

Development, implementation and evaluation of the SAU 16 in-house mentoring program are nearly completed. A summer Mentor Training Institute was held and we currently have approximately 80 trained mentors in the SAU.

### Math

The implementation of Everyday Math, third edition, is taking place during the year. Following the recommendation by the teachers who attended the presentation of these materials, we continue to offer training and professional development in this area as needed. The middle school and high school are continuing to provide a wide range of remediation and enrichment opportunities for all students in mathematics.

### Science

K-8 curriculum realignment has taken place during the last two years, aligning the curriculum with the NH grade level and grade span expectations. Professional development activities focusing on the "Skills and Inquiry" strand for grades K-5 continue to be offered. Science topic study groups are available to interested staff members as part of the *NH-PALS Grant*.

### Social Studies

All teachers have received hard copies of the *K-5 Social Studies Curriculum* that has correlated state curriculum frameworks, skill strands, grade level and grade span expectations. The committee is looking at the World History strand this year, as well as providing suggestions for assessment and integrating technology.

### Professional Development

Supervision and Evaluation documents are being reviewed and revised this year and will comprise most of the work for this group.

### School Nurses

The school nurses are reviewing the SAU 16 health websites, SAU health policies, standing nurses' orders, discussing common health related procedures (peanut allergies, etc.) and reviewing with building representatives the pandemic preparedness plan for their building. As with each year, nurses prepare health alert lists, health care plans, review universal precautions with staff, provide health supplies for classrooms and gather emergency information on staff members.

### No Child Left Behind

With the reauthorization of NCLB on the horizon, discussions focus on the major components proposed in the reauthorization and the various statements made by professional organizations relative to the reauthorization.

### Wellness

The SAU Wellness Advisory Committee will convene to share local practices, review the implementation of the policies SAU-wide and discuss strategies for communicating wellness practices, healthy foods and lifestyles throughout SAU 16.

### Physical Education

The last formal review of the Physical Education Curriculum was completed in 2002. With the change of school approval standards, creation of extended learning opportunities, and the integration of Information, Communication and Technology Standards in all subjects, the revision will focus on these areas. Statements of how each of the performance indicators are assessed will be cited in the new document.

Technology Education/Family and Consumer Science

These areas were last formally reviewed during 2002-2003. Since that time, standards for school approval have changed and an alignment study, as well as the identification of the integration of ICT standards through these curriculum areas, is taking place.

We are very fortunate in SAU 16 to annually have over 200 teachers who volunteer service to a variety of curriculum committees and task forces. Most of these groups meet after school hours, are facilitated by district and building level administrators and meet occasionally during a full day session to conduct the ongoing analysis of curriculum for the 21st Century Learner.

Assessment

During the fall of 2007, all students in grades 3-8 and 11 participated in the New England Common Assessment Program (NECAP) exams in reading and mathematics. Fifth, eighth and eleventh graders participated in a writing component as well. Beginning in May 2008, the NECAP Science Test will be administered to all students in grades 4, 8 and 11. The results of these exams illustrate how our students perform on a standardized test that is based on Grade Level Expectations at the state level, and will be reported to students, parents and the community once they become available. When the 2006 results were released in August 2007, it was learned that all schools in SAU 16 made "Adequate Yearly Progress". In January 2008, the 2007 results will be released, but are not currently available.

Annually in May, most of the SAU 16 schools administer the Northwest Evaluation Association Measures of Academic Progress (NWEA). This computer adaptive instrument gives us one indicator of each student's growth over a set period of time in language usage and mathematics. The NWEA program also provides valuable information that assists in grouping students and illustrating specific instructional suggestions for each student.

Our students are assessed in a variety of ways including teacher developed tests, projects, displays and presentations. It is important to remember that any standardized test is one indicator and one type of assessment. Our teachers encourage and provide forums for students to demonstrate what they "know and are able to do".

**SAU 16 Office Renovation**

The year the Exeter Region Cooperative School Board reviewed its financing options to fund the renovation of approximately 10,000 square feet at 30 Linden Street, the former location of Exeter High School, to provide rental space for the SAU 16 Central Offices. The Board approved the plan for renovation of the space and the project was completed in June 2007. The SAU vacated its rental space at 24 Front Street and relocated to 30 Linden Street in early July 2007. The 30 Linden Street campus was renamed *The Tuck Learning Campus*. This renovation project is eligible for 40 % State building aid over 5 years. The first installment was received by the ERCSD this fiscal year. The cost savings accruing to the taxpayers of the SAU/ERCSD due to the cessation of rental payments, combined with the building aid receipts, will enable the renovation cost to be recovered in less than three (3) years.

**Seacoast School of Technology Renovation Project**

On March 13, 2007, thanks to the voters of the Exeter Region Cooperative School District, the \$8,500,000 appropriation for the renovation and addition project of SST was approved by an overwhelming 78% majority vote. Students, staff, and Board members are grateful for your generous support. Equally important was the support of the Department of Education Career/Technical Leadership for their guidance, as well as the hard work of our local legislators in gaining the vote of approval of the State Legislature and Governor. Their efforts resulted in our receiving \$6,375,000 State Renovation Project funding.

Design of the project was completed in May 2007 and the bidding process was finalized in time for construction to begin in July. The first phase of construction was the completion of the site work.

foundation for the Automotive Technologies building and the renovation of the Early Childhood Education/Wright Start pre-school program space. This phase was completed by the end of September. The completion of the remaining program spaces and the new automotive building will occur in phases throughout the remainder of the 2008 school year and summer with final project completion anticipated for the fall of 2008.

## **Technology**

The state minimum standards require that digital portfolios be implemented for all students in grades K-12. Teachers will be involved in training and pilot testing digital portfolios during the 2007-2008 school year with full implementation occurring by November 2008. An SAU 16 Portfolio Committee has been established and is comprised of approximately 30 members representing all SAU 16 schools. Members of this committee are currently working on a number of projects leading toward full implementation of the portfolio in 2008. Additionally, we were able to secure grant funds from the New Hampshire Department of Education to create a teacher technology and portfolio mentoring program. Eighteen teachers have been trained to provide training and support to our teachers in the use of technology and in the creation of digital portfolios. Since last spring, these mentors have provided over 450 hours of professional development opportunities to SAU 16 teachers.

Helping our students to understand how to safely use Internet technologies is of prime importance in today's connected society. Toward this end, SAU 16 has formed a district-wide Internet Safety Committee. The committee is comprised of representatives from Microsoft, BeNetSafe.org, the Granite State Distance Learning Network, along with SAU 16 guidance counselors, teachers and administrators. The committee will host an Internet safety night for all SAU 16 communities on Tuesday, February 5, 2008 at 7:00PM in the auditorium at Exeter High School. The committee is also establishing an Internet safety student mentoring program where middle and high school students will be trained to teach elementary students how to safely use Internet resources.

All schools continue to use PowerSchool to collect attendance data and student demographic information. Exeter High School and the Cooperative Middle School have fully implemented the system which includes online grade reporting, report card generation, and online student/parent access to grades and attendance data. All Lincoln Street School teachers have been trained to use the PowerSchool grade book and report card system. Stratham Memorial School teachers will be trained in January 2008 with the goal of creating report cards for quarter three. East Kingston teachers issued quarter one report cards using PowerSchool while our remaining elementary schools will be working toward full implementation of this system in the coming year.

## **Great Bay eLearning Charter School (GBeCS)**

The Great Bay eLearning Charter School currently enrolls one-hundred and four students in grades nine, ten, eleven and twelve. The focus of the school is to foster student achievement through project-based learning in a technologically rich learning environment. Several GBeCS seniors have applied for early admission to their colleges of choice. As of December 11, 2007, we are proud to announce acceptances to Jacksonville University (FL), Johnson and Wales University (RI), Johnson State College (VT), New England College (NH) and the University of New Hampshire (Durham, NH). Students from any SAU 16 town can apply to attend the school free of charge. For more information about the school, please visit their website (<http://www.gbecs.org>) or call the school directly (775-8638).

Sincere appreciation is offered to all of the SAU 16 Joint School Board Members, the Board of Trustees for the Great Bay eLearning Charter School and the Seacoast School of Technology's Governing Board for their continued support and dedication to the students that attend SAU 16 Schools. The Boards' tireless efforts and dedication on behalf of collaborative educational and co-curricular excellence is often unrecognized. Their commitment to all students and to their communities allows SAU 16 to be recognized as a superior school system.

THE EXETER REGION  
COOPERATIVE SCHOOL DISTRICT

ANNUAL REPORT

For the year ending June 30, 2007  
For the proposed 2008-2009 Budget

**MINUTES OF THE EXETER REGION COOPERATIVE SCHOOL DISTRICT  
FIRST SESSION OF THE 2007 ANNUAL MEETING  
DELIBERATIVE SESSION – THURSDAY, FEBRUARY 8, 2007 – 7:00 PM  
TUCK LEARNING CAMPUS – TALBOT GYMNASIUM**

**ERCSD BOARD MEMBERS PRESENT:**

Greg Kann – Chair – Exeter  
Ray Trueman – Newfields  
Patty Lovejoy – Stratham  
Kris Magnusson – Brentwood  
Townley Chisholm – Exeter

Lucy Cushman – Vice-Chair – Stratham  
Kim Casey – East Kingston  
Robin Scott – Kensington  
Sally Oxnard – Exeter

**ADMINISTRATION:** Arthur Hanson, Walter Pierce, Nathan Lunney  
**MODERATOR:** Charles Tucker, Esq.  
**ATTORNEY FOR ERCSD:** Diane Gorrow, Esq.

Moderator Charles Tucker called the meeting to order at 7:02 PM followed by the Pledge of Allegiance, introduction of board members, administration and district attorney and explanations of the purpose of the meeting and that voting takes place on March 13, 2007 at the respective voting locations in each SAU 16 town. Moderator Tucker reviewed the procedures for a deliberative session that would be followed for the evening.

Moderator Tucker read Warrant Article #1:

**Warrant Article 1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$46,435,840? Should this article be defeated, the operating budget shall be \$46,105,313, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$46,435,840 as set forth on said budget.)**

Nathan Lunney, SAU 16 Chief Financial Officer, spoke to the article and discussed his PowerPoint presentation on the budget. Moderator asks for any questions or comments.

Alan Bailey, Exeter, asked about the budget, student enrollment and whether any students outside of the district attend Exeter High School. After reviewing the figures and doing the math it looks like it is over \$15,000 per student year and that 35 of the 39 line items were over budget and wanted to know if that was normal practice. He also asked when those lines are changed is it a decision of the ERCSD?

Nathan Lunney responded by saying that as of November 1, 2006 the enrollment was 3,042, which was inclusive of GBeCS. There is not a practice in place to have students attend out of district. Line numbers are discussed at board meetings wherein the past they were discussed in subcommittees.

Alan Bailey, Exeter, encouraged the board to do everything they could to slow down the rate of increases.

Arthur Baillargeon, Exeter, had questions about transportation and more specifically the rise in cost for late bus. How many students use these buses? Also had questions about athletic bussing cost going up \$15,000 and whether that was due to more athletics or going further for sports programs?

Nathan Lunney reviewed the history and usage of the late bus and that following February vacation will move to 3 late buses for CMS and 1 late bus for the High School. He also commented that participation

numbers have grown in athletics but maybe the largest driver over the last 3 years is not having students drive themselves due to liability.

John Henson, Exeter, noted that we are not at the age that we ride our bicycles any more, but use our buses to take us where we need to go.

Jim Johnson, Brentwood, asked to have equalized value explained and how it relates to assessment value of 6 towns? He also requested that next year the breakdown be clearer to read. He asked about lease of equipment and whether any staff in SAU has leased cars and how many submit for travel reimbursement?

Nathan Lunney reviewed the statutory formula used, which is a spreadsheet from the state, which adjusts your property to make it equal with other properties in the state. It is split between elementary and cooperative towns. The entire cooperative pays according to the cooperative portion of the budget spread throughout the 6 towns. Brentwood is 13.84% (Brentwood's cooperative responsibility) on top of 7.77% (Brentwood's elementary responsibility). The area of leased equipment refers to Pitney Bowes postage machine, photocopiers, DocStar, accounting systems, etc. ERCSD does not have any leased cars and there are 20 employees in SAU 16 that can put in for reimbursement for mileage and transportation.

Moderator noted that since no further discussion, Warrant Article #1 would go on the ballot as presented.

Moderator read Warrant Article #2:

**Warrant Article 2. To see if the School District will raise and appropriate the sum of \$8,500,000 (gross budget) for the purpose of constructing renovations and additions and purchasing furnishings and equipment for the Seacoast School of Technology (Region 18 Vocational Center); to authorize the acceptance of a construction grant in the amount of \$6,375,000 (75% of the total cost of the project) from the State of New Hampshire; to authorize the use of \$956,250 from tuition fees received from the Seacoast School of Technology member districts to fund the balance of the 25% local share not covered by building aid, and further to authorize the use of State Building Aid in the amount of \$1,168,750 to be received in annual increments of \$233,750 over the next 5 years. Further, to authorize the school board to apply for, accept and expend grants and donations from state, federal or other private sources that may become available. This is a non-lapsing special warrant article under RSA 32:7 and will not lapse until the project is complete or until June 30, 2013, whichever is earlier. This article is contingent upon receiving the grant from the State of New Hampshire in the amount of \$6,375,000. (The School Board recommends this appropriation).**

*(Passage of this article will not impact the tax rate.)*

Kim Casey, ERCSD Board member from East Kingston introduced Nancy Pierce, SST Principal who will be retiring after 13 years of service to this school and has done an outstanding job on behalf of the students at SST. Ms. Casey noted some of the accomplishments that have occurred under Mrs. Pierce's leadership.

Nancy Pierce, Principal of SST - spoke to the article noting that passage of this article would not impact local tax rate. She noted the schools that send students to SST that it was built in 1980 and in need of renovations and over last 10-year enrollment gone from 250 to 630 students.

Larry Foss, Stratham -spoke in favor of the article as an employer, spokesperson for the Exeter New Car Dealers and president of the National Association for Teacher Educational Foundation.

John Henson, Exeter, spoke in favor of the article noting Governor Lynch is in favor of this and feels the Legislature is also.

Joyce Daniels, East Kingston, has 2 sons in SAU 16 schools and oldest son attends SST Building Trades, which has made a huge difference in his education and would ask for your support of this renovation.

Arthur Baillargeon, Exeter, an SST advocate feels renovation is plus for students and teachers and is much needed. He feels one of most important votes in many years and asks that state of NH also support this project.

Andrea Cole, Kensington, student at both EHS and SST spoke to let everyone know the opportunities SST has afforded both she and her brother and hopes everyone votes.

Matt Kramer, UNH student and graduate of SST biotechnology program - very thankful for program and opportunities it afforded him. It gives an advantage over other students when you go forward in that field.

Margaret Callahan, Assistant Principal of SST (not a resident but no objection to her speaking); noted that 77% of students go onto post-secondary education. She announced a tour on Saturday March 3 9-11 and everyone is welcome to attend.

Langdon Plumer, Exeter, noted support this evening is terrific and urged support. Arthur Baillargeon, Exeter, reiterated the tour date of March 3rd tour and in case of bad weather it would be March 4th.

No further discussion, Moderator declared article would appear on ballot as presented.

Moderator read Warrant Article #3:

**Warrant Article 3. Shall the District raise and appropriate to the expendable trust fund known as the Maintenance Fund (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds) the sum of the amount of the June 30, 2007 undesignated fund balance (surplus) up to \$40,000? (The School Board recommends this appropriation.)**

*(The source of funding for this \$40,000 will be the first State Building Aid payment received as a result of the cost of renovations to a portion of the Tuck Learning Campus, formerly Exeter High School, for the relocation of the SAU 16 offices. This will be the first of five years of State Building Aid payments to replenish monies of the Maintenance Trust Fund used for the renovation.)*

Mr. Trueman, ERCSD Board member from Newfields spoke to the article.

Arthur Baillargeon, Exeter, asked what grounds meant?

Mr. Trueman, ERCSD Board member from Newfields noted that plans would be available for review at the SAU Office.

No further discussion, Moderator declared article would go on the ballot as presented.

Moderator Tucker read Warrant Article #4.

**Warrant Article 4. On petition of Edward Berry and others:**

**To see if the Towns comprising the Exeter Regional Cooperative School District will Vote to establish a Budget Committee according to the provisions of RSA: Chapter 32 providing for a Cooperative School District Budget Committee. Membership shall be composed of seven committee members; one member elected by each sending town and one representative appointed by the Exeter Regional Cooperative School Board.**

Amendment by Elyse Seeley-Gallo, Brentwood:

**Amendment: According to RSA 195:12, this budget committee shall have the same number of elected members as the cooperative district school board, plus one member appointed from the school board.**

**Until such time as budget committee members are elected by the registered voters of the towns of Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham, the moderator of the cooperative school district deliberative session meeting is directed by law to appoint the initial 9 members within 15 days of the vote establishing the committee through this warrant article, and is requested by this petition to follow the recommendation of each town's Board of Selectmen to complete this process.** Amendment was seconded.

Elyse Seeley-Gallo, Brentwood - explained the reason for the amendment is that the membership needs to be the same as the membership of the ERCSD Board. Noted the following selectmen voted in favor of this: East Kingston, Newfields, Kensington and Brentwood. Stratham did not vote on it and Exeter has not voted on this.

Vote 38 in favor; 43 opposed. Amendment fails.

Moderator that we are now back to original citizens petition article as presented and since Attorney Gorrow spoke that the article in its original format would be acceptable to go forward, the Moderator has asked that if the article passes, please inform him if you are interested in being on this committee.

Elysee Seeley-Gallo, Brentwood - spoke to the petition warrant article.

David Barr, Stratham, one of the initial ERCSD board members and also prior to that a Stratham School Board member stated he left the board the same year that a budget committee was approved by the voters and was one of the nine members appointed to that committee. He explained the meetings were parallel to the meetings that were held by the school board and was opposed to creating a budget committee since all the board meetings are open. He offered the following amendment:

**Amendment: To see if the Towns comprising the Exeter Regional Cooperative School District will Vote to establish a Budget Committee according to the provisions of RSA: Chapter 32 providing for a Cooperative School District Budget Committee. Membership shall be composed of seven committee members; one member elected by each sending town and one representative appointed by the Exeter Regional Cooperative School Board. (The Voters of the first Deliberative Session February 8, 2007 strongly opposed this article).** Amendment was seconded.

Alan Bailey, Exeter, spoke against the amendment feeling it was confusing.

Vote 64 yes: 16 no. Amendment passes.

Karen Plumer, Exeter, spoke against a budget committee.

Moderator stated that the official budget committee presents to the town and this meeting can only exceed that budget by 10%.

Kim Casey, ERCSD Board member from East Kingston offered this amendment:

**Amendment: To see if the Towns comprising the ERCSD will Vote to establish an Advisory Budget Committee. Membership shall be composed of 9 committee members in the same proportion as town representation on the cooperative board.** Amendment was seconded.

Kim Casey spoke to amendment. Jim Johnson, Brentwood, spoke against motion.

Elyse Seeley-Gallo stated the intent is now not the same and what is the legality of that?

Moderator asked Attorney Gorrow for her legal opinion. Attorney Gorrow said you can change the intent and amend the language as long as it is an article that is not prescribed by the law.

John Hazekamp, Stratham, agreed with an Advisory Committee as a first step and compromise.

Roy Morrisette, Exeter, would support Kim's amendment noting you have 9 members who are elected to represent you and they bring forth what they feel is a budget that supports their administrators.

Jim Johnson, Brentwood, spoke to the Brentwood budget.

Vote 82 yes: 5 no. Amendment passes.

Alan Bailey, Exeter, addressed the article as it deals with audits given the auditors have used the word 'adverse' in the reports issued. He noted the adverse is based on the board not using GASB 34 procedures and also asked whether the finance committee of ERCSD Board no longer meets because he has not seen minutes since 2006.

Greg Kann, ERCSD Board member from Exeter noted that to comply with GASB 34 requires additional funding and that is one of the reasons the board has been slow to respond to GASB 34. Mr. Kann explained that finances are discussed at the school board meetings for the most part as there are no longer subcommittees. He also stated that GASB 34 should be in compliance by the next audit.

Elyse Seeley-Gallo, Brentwood, motioned to add the following to the amendment made by Kim Casey:

**Amendment: The moderator in the first instance shall appoint the members of the budget committee, except for the additional member appointed from the school board, within 15 days of the vote establishing the committee. The members appointed by the moderator shall serve until the next annual meeting when the meeting shall elect their successors.** Amendment was seconded.

Vote 40 yes: 24 no. Amendment passes.

Lucy Cushman, ERCSD Board member from Stratham spoke against having any kind of budget committee.

Benjamin Long, Stratham, spoke to the article. Roy Morrisette, Exeter, spoke to article. Jim Johnson, Brentwood, spoke to article.

No further discussion. amended article will go forward as presented.

5. To hear reports of agents, auditors, and committees or officers heretofore chosen.

Kim Casey, ERCSD Board member from East Kingston announced a February 20th meeting in Manchester and a March 5th Meeting in Dover to discuss adequate education.

6. To transact any other business which may legally come before the meeting.

Motion to adjourn at 9:25 PM.

Respectfully submitted,

Susan E.H. Bendroth, ERCSD Clerk  
February 8, 2007

**MINUTES OF THE EXETER REGION COOPERATIVE SCHOOL DISTRICT  
SECOND SESSION OF THE 2007 ANNUAL MEETING  
VOTING SESSION – MARCH 13, 2007**

The polls were open at the polling places at the hours designated below to choose the following School District Officers: School District Member (Brentwood), School District Member (Exeter), School District member (Kensington), School District Moderator and vote, by ballot on the articles listed as 1 through 4.

Voters in Town of:	Polling Place:	Polling Hours:
Brentwood	Brentwood Fire Hall	8:00 AM to 7:00 PM
East Kingston	East Kingston Elementary School Multi-Purpose Room	8:00 AM to 7:00 PM
Exeter	Talbot Gym at the old Exeter High School	7:00 AM to 8:00 PM
Kensington	Kensington Town Hall	8:00 AM to 7:00 PM
Newfields	Newfields Town Hall	8:00 AM to 7:00 PM
Stratham	Stratham Municipal Center	8:00 AM to 8:00 PM

Results of the election of Exeter Region Cooperative School District Officers:

Brentwood Board Member, term ending at 2010 election:

<b>Kristina “Kris” Magnusson</b>	<b>2,690</b>
Marilyn Morehead	2,030

Exeter Board Member, term ending 2010 election:

<b>Tomasen Carey</b>	<b>2,508</b>
M. Kathleen “Kathy” McNeill	2,191

Kensington Board Member, term ending 2010 election:

<b>Barbara Collins-RigordaEva</b>	<b>2,395</b>
Susan Lalime	2,037

School District Moderator, term ending 2008 election:

<b>Charles F. Tucker</b>	<b>4,178</b>

If you need a phone book call: 1-800-888-8448  
Check the Town of Exeter website at [town.exeter.nh.us](http://town.exeter.nh.us)

The Town of Exeter was founded in 1638, has an elevation of 125 feet, and an average temperature of 46.3 degrees. Exeter has 12644.8 acres of land area, 168 acres of water area, for a total of 12812.9 acres, and total square miles of 20. Exeter is located in Rockingham County.

### RUBBISH COLLECTION

The Town of Exeter contracts with Waste Management Co. for curbside rubbish pick-up. All rubbish must be in the Town of Exeter blue plastic bags available at the Town Office and most other stores in Exeter including the two grocery stores in Stratham. The Town of Exeter has been using the pay-by-the-bag trash system since October 4, 1993.

Trash bags are available in 2 sizes: 33 gallon bags \$1.60 each, 15 gallon bags 80 cents each. Bags must be curbside by 7AM on your scheduled pick-up day. No limit on amount of bags allowed curbside each week. Check our "trash/recycle pick-up schedule" link on our homepage for your pick-up day, or call Public Works at 773-6157.

### RECYCLE COLLECTION

The Town of Exeter contracts with Waste Management Co. for curbside recycle collection. Pick-up is the same day as your trash pick-up. A blue Town of Exeter recycle bin is needed for pick-up. Bins are available at the Town Office for \$5.00 each.

### TRASH/RECYCLE HOLIDAY INFORMATION

Waste Management Co. handles all of the Town of Exeter trash/recycle pick-ups. According to their contract, trash/recycle will **not** be picked up on the following holidays

New Year's Day  
Independence Day  
Thanksgiving Day

Memorial Day  
Labor Day  
Christmas Day

If your normal trash/recycle pickup day falls on one of these days, your trash/recycle will be collected the following day. We would ask that residents please plan accordingly. Questions regarding the holiday trash pickup schedule can be directed to the Public Works Department at 773-6157 during regular business hours, 7:00AM-3:30PM Monday through Friday.

#### RECYCLE OIL

The Town of Exeter recycles used oil from your car, boat or lawnmower. Used oil can be taken to the Transfer Station during regular operating hours. Oil must be in a clear or semi-clear container with a tight fitting cover - plastic milk containers work well. Label the container "used oil".

#### TRANSFER STATION

The Town of Exeter has a Transfer Station on Cross Road in Exeter. You may dispose of yard waste (grass, leaves, brush), metal items (washers, dryers, dishwashers etc). Items with freon (refrigerators, freezers, air conditioners, dehumidifiers, etc) can be disposed of with an additional \$7.00 per item sticker. There is also an Electronics disposal area at the Transfer Station. Each electronic item taken there needs a \$10.00 electronics disposal sticker. All other items must be in a Town of Exeter blue bag. NO bulky items will be accepted at the Transfer Station. Calendar year permits are \$7.00, issued to the vehicle; a five-day permit is \$2.50, issued to the vehicle. All permits and stickers may be purchased at the Town Office.

#### SPRING/FALL CURBSIDE PICK-UP

Curbside spring/fall pick-up allows you to put curbside "bulky" items such as sofas, chairs, etc. that normally would not be picked up by our waste hauler. During this scheduled pick-up time all items curbside that are not in a blue bag must have a Town of Exeter disposal sticker attached to the item. Stickers are available at the Town Office and the Public Works Department for \$2.50 each. Pick-up is your regular trash day of the scheduled pick-up week. Call the Town Office at 778-0591 or check your local newspaper, or check our website under the "What's New?" link for scheduled pick-up dates when available.

#### OTHER BULKY TRASH DISPOSAL OPTIONS:

You can haul your bulky trash to the following disposal sites for a fee. Call ahead for directions & fees.

Best Way Disposal	ERRCO	Waste Management Co.
Raymond, NH 895-6273	Epping, NH 679-2626	Rochester, NH 1-800-847-5303

#### LEAF BAGS AND LEAF PICK-UP

Each fall the Town of Exeter picks up leaves in brown paper recycle bags only. The bags are available at the Town Office for 45 cents each. Pick-up of leaves is on your regular trash day the week of the scheduled pick-up in the fall ONLY. Call Public Works at 773-6157 or check your local newspaper, or check our website under the "What's New?" link for pick-up dates when available. You may also take leaves to the transfer station during regular operating hours. No permit needed

#### TOWN CLERK

The Town Clerk's office is located at the Town Office building. Hours are Monday thru Friday 8:30AM till 3:30PM (hours effective October 1997). Questions? Call 778-0591 and ask for the Town Clerk

#### WATER/SEWER BILLING OFFICE

For residents with Town water and sewer service, the billing office is located at the Town Office building. The office is open Monday thru Friday 8:00AM - 4:30PM. Bills are sent quarterly depending on where you live. Questions? Call 778-0591 and ask for the water billing department.

#### TAX COLLECTOR

The Tax Collector is located in Town Office building in the same office as the Water and Sewer billing department. Hours are 8:00AM - 4:30PM Monday thru Friday. Questions? Call 778-0591 and ask for the Tax Collector.

### ASSESSING OFFICE

The Assessing Office is located in the Town Office building for assessment and/or exemption information on your property. Hours are Monday thru Friday 8:00AM - 4:30PM. Questions? Call 778-0591 and ask for Assessing.

### PLANNING, BUILDING INSPECTOR, ZONING

The Planning Department, Building Inspector and Zoning Department are located upstairs in the Town Office building. Hours are 8:00AM - 4:30PM Monday thru Friday. Questions for any of the three departments, call 778-0591.

\*Note: The Town Office building does have a ramp at the front entrance to the building and an elevator to the second floor.

### PARKS AND RECREATION DEPARTMENT

The Exeter Parks and Recreation Department is located at 32 Court Street, a yellow building three buildings down from the Safety Complex. The Recreation Department sponsors programs for all ages including sports, trips, public pool, tennis, adventure camp, etc. Call 773-6151 for information, or check your local newspaper, or check our website and click on the "Parks & Recreation" link for information about upcoming events.

### EXETER PUBLIC LIBRARY

The Exeter Public Library is located at Founder's Park. For hours and more information about the Exeter Public Library, call 772-3101 or go to the library website at [www.exeterpl.org](http://www.exeterpl.org)

### EXETER HISTORICAL SOCIETY

The Exeter Historical Society is located at 47 Front Street. Hours are usually Tuesday & Thursday 2:00PM-4:30PM, Saturday 9:30AM-Noon or by appointment. For more information call the Historical Society at 778-2335.

### MISCELLANEOUS INFORMATION

#### LOCAL GOVERNMENT CABLE CHANNEL/MEETINGS

Cable Channel 22 is the Exeter Local Government channel. Tune in to see live broadcasts of Selectmen's meetings, Planning Board meetings, Zoning Board of Adjustment meetings, Conservation Commission and Historic District Commission meetings.

Selectmen usually meet on Monday evenings at 7:00PM in the Nowak Room, upstairs in the Town Office building. Check our website or call the Town Office at 778-0591 for the next scheduled meeting date. Selectmen's meetings are broadcast live on Channel 22.

Agenda items for Selectmen's meetings must be submitted to the Town Manager's Office by 12:00 Noon the prior Wednesday. For more information call 778-0591.

#### WINTER PARKING BAN

There is a winter parking ban from December 1 thru March 15. During that time NO PARKING is permitted on any public street between Midnight and 6:00AM. Call Exeter Dispatch at 772-1212 for more information.

# NOTES

VOLUNTEER APPLICATION  
TOWN OF EXETER, NEW HAMPSHIRE

The Town of Exeter thrives on volunteerism. The Town has several Boards, Committees, and Commissions, and is always looking to maintain a strong list of capable volunteers. In order to become a board, committee, or commission member, please select your preference below as part of the application. Someone from the Town Manager's Office will contact you directly about Board openings. If you are interested on serving on more than one Board, please indicate your first preference by marking the sheet below with a "1" for first, preference, "2" for second, and so on. Thank you for volunteering!

I would like to serve on:

- Exeter Arts Committee
- Budget Recommendations Committee
- Cable Television Contract Committee
- Conservation Commission
- Council On Aging
- Exeter Development Commission
- Heritage Commission
- Historic District Commission
- Housing Authority
- Planning Board
- Recreation Advisory Board
- Open Space Committee
- Water & Sewer Advisory Committee
- Zoning Board of Adjustment

Applications should be returned, with a letter of interest, to:

Exeter Board of Selectmen  
Attn: Volunteers  
10 Front Street  
Exeter, NH 03833

Please note that most Boards are limited to Town residents. Please check the website for current Board openings. Per Selectmen policy 92-13, no person may serve as a regular member of more than one Selectmen-appointed Board at one time. Some Boards have term limits. For information about any particular Board, Committee, or Commission, please see our website at <http://town.exeter.nh.us> or call 778-0591 between the hours of 8:00 a.m. and 4:30 p.m. and ask to speak with the Town Manager.

We thank Barbara Cowan for the use of her work for the front and back covers of the 2007 Annual Report. The front cover is a view of the Powder House, which appeared in the 2005 Exeter Library Poetry Anthology "Exeter, NH, Where The River Meets The Tide". On the back cover, top painting, is the artist's interpretation of the old Boston and Maine railroad depot, about 1900. The middle painting depicts Front Street, circa 1904, and appeared on the Exeter Holiday decorative ornament in 2004. The bottom painting, the Swasey Parkway Pavilion, appeared on the Exeter Holiday decorative ornament in 2006.

Barbara Cowan resides in Exeter and has been known for her Exeter paintings of historic areas, along with watercolor painting, regional landscapes, and seascapes. In addition she has more recently been working with the monotype process and continuing her interest in collage. A continuing student of Timothy J. Clark, she also studied with the late Val Thelin of Ogunquit, Maine. More recently she has been taking workshops in the monotype process with printmaker Pam Lawson. She is an exhibiting member of the Exeter Arts Committee and the Seacoast Artists Association. Barbara has for many years designed the annual Exeter Holiday ornament, prints, and greeting cards for Exeter. They are now regarded as important collectibles for area residents.
